Survey of All Resources To Be Made By Chamber; Advertising Aid Seen

With California and Oregon on westward, the Klamath county chamber of commerce will undertaken a survey of the county between now and January 1 to gather This step has been deemed necessary in view of the increasing number of inquiries from prospective home-seekers and investors, and the probable increase of inquiries with the advertising campaign in both California and Oregon in full swing.

Survey to Be Complete The survey will show the amount of land being cultivated, both irness; and facts regarding the dairy industry, live stock, agriculture and general, lumber and other lines. The reclamation service, farm bureau, irrigation districts and other agenceis will cooperate to make it the most complete survey ever made in the county. With completition the opportunities of the county will

ready on hand, and the pamphlet will probably be published shortly after January 1. With the tremendons amount of advertising Klamath county has received during the year due to the rathroad unmerger controversy.

SEATTLE WOMAN IS HELD PRISONER IN RUSSIA THREE DAYS

Taken from Hotel Room at 2 a. m By Government Agents; Release Granted After Imprisonment

RIGA, Nov. 23.-Mrs. Idalaide Parker Bennett, formerly a school teacher in Seattle, Wash., has been released from prison in Russia, according to word reaching Riga. after being arrested by the agents of Cheka and detained three days.

Mrs. Bennett was taken from her hotel room at 2 o'clock in the morning but the police agents refused to say why she was arrested. She was later questioned by political investigators.

Mrs. Bennett has been in Russia ever a year with her husband, a hydraulic engineer in the employ of the soviet government and admittedly a member of the communist party.

MERRILL TEAMS FORM

High School Boys and Girls Orga nize Basketball Quintettes

Special to The Herald MERRILL, Nov. 23 .- Both the boys and girls of Merrill high school have organized basketball teams and the outlook is bright for a successful season.

The first turnout of boys was larger than usual and Coach Rutherford is confident of a winning team. Six lettermen from last year's team and a new star player from Springfield high school add

much to the team's strength. The lineup: Kenneth Kiger and Fred Pope, forwards; Estin Kiger. center; Kenneth Colwell and Will Hill, guards; Kenneth Bettis and

John Merritt, aubstitutes. The girls have organized a team and Miss Nichols, the coach, thinks that with hard practice they will develop a winning quintette, although only a few have played betative lineup: Mary Taylor and Geen captain, with the following tentative lineup: Marq Taylor and Geneva Glenn, guards: Agnes Enman. center; Esther Moore, side center; Eva and Joyce Sigford, forwards.

EUGENE, Ore., Nov. 23 .- The nominal admission will be charged largest timber transaction in many months was consumated here today with the trading of interlocking tracts by the Continental Timber company of Delaware and the Drew Timber company of Iowa. Approximately 5000 acres are involved and places the two companies with bodies of timber that can be logged in the same direction. The timber is situated both in Linn and Lane counties on the western slope of the Cascades in township 15 south, range 3 west.

Both companies in Oregon are timber holding concerns, and are among the largest in the state. The Drew people are now operating in Iowa, Minnesota and other states, About a year ago they made a similar trade with the Booth-Kelly company, and now have a great tract of fine timber high on the Cascade range which can be logged in the same direction. The Continental interests have also a similar tract.
