EVERETT TRUE By CONDO

MENTH-SULPHUR, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or in rough or dry. Nothing subdues fiery skin eruptions so quickly, says a noted skin specialist.

The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or disfigurement. Menth-Sulphur always heals eczema right up.

A small jar of Rowles Menth-Sulphur may be had at any good drug store. Adv. 9.
