Plain Truths--Backed Facts

First--We Are Overstocked and Need The Money

FRANKLY, THIS IS THE MOST IMPORTANT REASON FOR THIS SALE. H. J. WINTERS since the day of his inception over 20 years ago, has been the exponent of honest values and this policy will be maintained during this big 12 day selling event. There are times when patience ceases to be virtue, and when we say SALE we mean it. Never before until this year have we ever resorted to strong-arm methods. BUT MUST IS MASTER NOW. The burden of an overwhelming backward season combined with other unforeseen circumstances has driven us to desperation this year.

WE EXPECT TO DO A 3-MONTHS BUSINESS IN 12 DAYS. That's the story in a nutshell! We have decided to make short work of this stock of jewelry and split the million in many instances right in two in order to sell at least one-half of this fine stock in 12 days time. There is no exaggerating or misrepresentation in connection with this sale, as you well know. We have our reputation to retain, not to shake, and it behooves us to obtain your unqualified endorsement, and that we can only secure by making the values of this sale eclipse any other sale we have ever held. Remember we stand back of every purchase, we guarantee every article. We will exchange your goods without a question and refund your money without a whimper, and in fairness to you, we will tolerate nothing but honorable treatment.
