# This Picture Caused Trouble

When college professors saw this picture of Miss Julia Boone, the star sprinter who adopted men's running trunks to increase her speed on the cinder paths, there was a gasping for breath in the University of Washington halls of learning. It is rumored that Miss Boone and other members of the co-ed track team who adopted the abbreviated garments taking a rest from athletics for the remainder of the sea

SAN FRANCISCO, Dec. 12 .- Construction of 5000 standard refrigerator cars for delivery early in 1923 at an estimated cost of \$15,000,000 is being arranged by the Pacific Fruit Express company, according to announcement today by C. M. Secrist, vice president and general manager of the company. The company is also arranging for the construction of 200 fifty-foot refrigerator cars equipped for passenger train service. These 300 cars, of is the son of Sebastian Miller who high speed service, will cost an ad-

ditional \$1,750,000. The 5000 standard refrigerator care being built by the company. There are 1,600 cars yet to be delivered on the 3,300 order, and these with the new lot of 5,000 to be built, will give the Pacific Fruit Exator cars for 1923 business.

Commenting on the new refrigerator car construction, officials of An old lady, in Ashland for the the Southern Pacific company, which pany's equipment should counteract "Lawks a mercy," she remarked a repetition of the conditions which to her nephew, "I've heard of caused a car shortage this year. The Browns all my life, but I never knew main reasons for the refrigerator car shortage this year was the difficulty in getting cars back from the east to Southern Pacific rails, the coal and railroad strikes having empties to the west. The peak de-"thon't expect a 5-ton truck to get mand for refrigerator cars usually varies in different sections of the country but this year every section difficult to handle.
