DOWAGER EMPRESS OF RUSSIA MAY LIVE IN ENGLAND

COPENHAGEN, Dec. 22.—The Dowager Empress of Russia, Maria Fedorovna, who is now in England on a visit to her sister, Queen Alexandra, may prolong her stay well beyond the limits originally set for it. First it was said the widowed queen, who was a Danish princess before she married the late emperor Alexander III, would return to Denmark in five or six weeks; now it is rumored in court circles that the visit may be indefinite.

BRYAN AS MASON

Here is William Jennings Bryan leading in prayer at the laying of the cornerstone of the new \$200,000 Scottish Rite Masonic Cathedral in Miami, Florida.

Maria Fedorovna crossed the channel at Antwerp. She was accompanied by the Russian prince Isidorovskii and Viazemsky, Countess Murova, and the well known Countess, Juchitshouk, who used to carry the little lama son of Emperor Nicholas in his arms in the days before the execution at Ekaterinburg, over three years ago. This little boy was Maria Fedorovna's grandson.

It is understood locally that the Empress will be followed to England shortly by her daughter, the Grand Duchess Olga and her husband Colonel Koulikovsky, and their children.

In The Spirit of Giving

On Christmas Day, more than at any other time during the whole year, do we realize the truth of the centuries-old teaching that it is more blessed to give than to receive.

It is the joy of giving, rather than the pleasure of receiving, which makes this the best holiday of them all.

And in business, the spirit of giving means just one thing—service.

To the people of this community whom it is our privilege to serve every month of the twelve, we desire at this time to express our appreciation of this privilege by wishing you
