YOU IN 1923

W HAT does 1923 hold in store for you? Better things in a money way, probably, for the outlook is that there will be more prosperity to be divided among the American people.

As for other things that go to make up happiness, a good thought been wrong 1921 years. with which to start the new year is that tife is what we make it, and real happiness a condition of heart

Alead, then, with pep! Time is giving us a new deal with the cards. Forget the mistakes of 1922 and begin afresh

The start of a new year is always fascinating, because it opens the negative or a similar something. door of the unknown. The curtain drama, life.

advance. You, as one of the actors. help shape it. Many who starred in previous acts will fade to the back of the stage-or be carried out million, and live up to it in spite of through the wings, stilled forever.

The lead roles are always changing. What new Mansfield or Irving or Bernhardt will spring into the lime streak of bad luck, you shoot go light and fame in 1923? No one elephants. knows. The future is veiled.

More than any year in the past. 1923 holds promise for great spectacular events in man's penetration of the unknown.

A powerful undercurrent became evident in humanity during 1922a spiritual wakening, a renewed interest in the hereafter, in our purpose here on earth, and that mysterious depth known as the subconscious mind.

Psycho-analysis and similar phe- of a movie star. nomena, incorrectly called "crazes," all are leading up to some sensational new development for humanity at large.

Shall we in 1923; talk with Mars or Venua by radio or mental waves? powers that have been lying dor- away a list free. mant in us. waiting until Destiny is ready for us to use them? All of us have been vaguely conscious that such fatent powers exist. Occasionally they are manifested by mysterious happenings that no one can

ratisfactorily explain. The world war, titanic struggle, was the forerunner of something and tremendous. Great spiritual or physic forces shook civilization to its foundation. Leading up what? We may know, before end of 1923. Forward, across threshold of the unknown.

1922'S RECORD

(The Roseburg News-Review)

7 HAT has 1932 done for human progress? In the United States where last January millions of people were out of employment, today the industries are generally busy. This change is, however, only one movement of that ceaseless tide of business that keeps rising and falling. Whether anything has been done to prevent future harmful fluctuations is a ques- well of their own accord. While two great strikes have aused a disastrous loss, yet on the ole labor relations have gained. number of strikes outside the and railroad industries in less common for a period of revivtrade. This would indicate that two parties to industrial rela-s were learning that co-opera-

While the treatles signed by the Washington conference have not been ratifled as yet, that meeting greatly improved relations in the Pacific territory. Japan has gotten out of Shantung and Stheria. This gain is largely offset by the rise of the Turks to re-

The Evening Herald newed power, a needless development caused by the dissensions of Christian powers.

In the scientific world, radio telegraphy has made a marvellous advance. In philanthropy the world is called upon for a great outpouring of relief for the millions of exiles driven out of Turkey.

In the political world, the most striking event has been the salgure of power by the Italian Pascisti as MEMBER OF THE ASSOCIATED a protest against bolshevism. Russta has been forced by stern logic of suffering to give up extreme communism.

While the world is still staggering from war psychosis, yet the forces of recovery bave grown more powerful during the year. The dis- Miss Marjorie Deizell, daughter of ease of war hysteria has run part Mr. and Mrs. W. A. Delzell, became of its inevitable course.
