Special Reduced Price Made For Classified Advertising

If you have some farm machinery, a cow, horse, some extra furniture, or any other article which has small value to you but may meet the needs of others, better turn it into cash.

This can be done by the use of classified advertising and at an expense too small to be considered as material. There are many articles which will bring in many dollars, and the cost of the classified ad is about the farm or in the home

paid for in the sale many times over.

There are a number of people in this community who use these ads regularly, but many have never tried them and do not know their real value. For these people we are making a special offer.

Cut out the blank form below and write in it, using a space for each word, telling what you have, being sure to include the name and address. Attach a One Dollar bill to the ad you have written and mail

the two to The Herald, Klamath Falls, Ore.

This ad will be run for six consecutive issues in this paper, the first insertion being in the "New Today" column and the other five issues in the regular classified department.

The price of One Dollar for 36 words is a special rate made only as a trial offer and good only when the form which follows is used. The regular rates for this advertising are published daily in The Herald.
