REAL ESTATE BOOM STRIKES SUMMER RESORTS OF JAPAN

TOKIO, July 25.—The demand for homes at the various seaside and mountain resorts of Japan made famous by foreigners is ever on the increase, and those foreigners who invested wisely are reaping their harvest. Prices have gone up ten fold within the last few years and there seems no tendency to fall. At Kamakura, the mountain resort to which missionaries from all over the far east flock in summer, and where the Prince Regent will spend part of this season, very high prices are being paid for houses and land. The same is true at Kamakura, Zushi and Hayama, the seaside resorts, formerly almost entirely foreign, which have been invaded by the Japanese.

The property which foreigners are selling is held by them on 999 year leases, through virtue of their being member of Japanese land companies such as were organized by the different missionary bodies.

WENT TO THE DOCTOR AND THE DOCTOR SAID:

"Those pains around your heart after eating are caused by gas pressure from the stomach. That shortness of breath and palpitation can also be traced to the same source. Your fingers, arms and limbs feel numb and 'go to sleep' because the gas pressure restricts circulation in various parts of your body."

"The best and quickest way to relieve this condition is to take Baalmann's Gas Tablets before and after meals. Stop at the nearest drug store and get a dollar package of genuine Baalmann's Gas Tablets. The very first dose should give much relief. There's nothing better for the prevention of gas and stomach distress."

Baalmann's Gas Tablets, in the yellow package, are for sale by Star Drug Company and all reliable druggists. J. Baalmann, Chemist, San Francisco, ADV. No. 10.
