## 50 REPORT FOR WILLAMETTE GRID SQUAD

SALISBURY, Sept. 21.—Fifty men reported in suit to Coach Guy Rathbun at Willamette university Monday, and went through calisthenics and a few training exercises. Of this number 15 were last year men, and the rest were freshmen and new material, and it is expected much work will be required to smooth the squad into working shape. However, much confidence was expressed by the oldtimers at the spirit show and the display of material. In weight the men will average 175 pounds, and only one man weighed over 198 pounds when suited in last Saturday.

This is the only drawback to the turnout. Those from last year reporting are Captain Patton, Marvin Stolzeise, Everett Hiday, Albert Logan, Paul Sherwood, George Oliver, all line men. The backfield men of last season aspiring for a place this year are James Caughlin, Carol Wilkinson, Ourey Hasey and Harold Ishman.

Freshman material includes Mason from Bandon high, White from Berkeley high, Natona, a Japanese, who has had experience on Washington State frosh squad, Kinley of Bandon high, Rhodes, Fletcher, Fasacht and others. Practically the entire frosh squad is without much training.

Still grid practice starts immediately, and Coach Rathbun expects to bring more of the men into college football caliber by training.

## JOHNSON WILL TRAIN FIRPO

NEW YORK, Sept. 21.—Having learned one lesson via the rather painful process of a punch on his Latin repertoire Luis Firpo is about to take on the second. He announced through Gillermo Widmer, his secretary, interpreter and general fetch-this, that he would sign no more pre-emptory contracts with Tex Rickard, demanding his presence in the ring against Dempsey within a given period of time. Rickard picked the last spot but Firpo intimates that he will not have much to do with picking the next.

It was also learned that the saddy-eyed Firpo plans to engage Jack Johnson as his teacher and will enter the next championship contest with expert handlers in his corner.

Johnson worked out with Firpo daily before the milk fund show last May and it was noted then that the Latin was fast gaining some faint inkling of what this game of fists was all about. Johnson, however was extended the courtesy of open doorway, leading out, and from that moment, Firpo's improvement seemed to come to a parade rest.

## \$50,000 PURSE UP FOR RACE

NEW YORK, Sept. 21.—An offer of \$50,000 for a match race between Harry Sinclair's colt, Zev, winner of the Kentucky derby and generally acknowledged 3-year-old

champion of the American turf, and Admiral Carey Grayson's horse My Own, has been forwarded to the owners of the two speedsters by the Maryland state fair.

Admiral Grayson might be willing to accept, but it is not believed that Sinclair will want the race, because Zev is entered in the \$50,000 Latona derby and might be the one selected to run against the British champion, Papyrus, in the International race in October.

My Own is one of the most formidable opponents of Zev for the honor of carrying the American colors against Papyrus, as the American horse has not yet been selected.

For a six-furlong race for the 2-year-old championship between Sarazen and Happy Thoughts, both

undefeated, the Maryland fair offered a purse of \$15,000. Sarazen has won five races.
