

# MILLS PEOPLE REQUEST SEWER

## 46 Residents of District Petition Council For Building of Unit

Forty-six residents of Mills Second addition petitioned the city council last night for construction of a sewer system on 13 blocks. The signers represent property holders of blocks 202, 210, 215, 209, 217, 203, 208, 218, 304, 307, 308 and 311. The sewer unit would be an adjunct to the main line of the fifth sewer unit constructed.

Another street improvement petition was added to the total made to the council the past few weeks. Fourteen property holders petitioned for the macadamizing of Peffered avenue from Canby street to the Southern Pacific railroad crossing. The petition was referred to the street committee.

An ordinance directing the treasurer and police judge to pay to Geo. Tugnot the sum of \$252.93, that being the amount of a refund due to him out of a sum of money he advanced for the 24th paving unit, was passed unanimously by the city council.

Rooming house permits were allowed to L. A. Braanan, 813 Oak and Mrs. Morrison, 804 Main. A petition by Susie A. Crowley to operate the Hotel Gleam was referred to the street committee.

The number of permits granted and the amount involved in each permit was considerably reduced from the total of the preceding week. Five permits, involving an expenditure of \$2,650, were allowed. Those to whom permits were granted were: D. W. Cox, a woodshed and garage on Oregon avenue to cost about \$150; Nels Eck, remodeling of a residence on High street, to cost about \$100; Riley Loomis, a residence on Applegate street to cost about \$300; G. A. McDonald, a garage in Hot Springs addition to cost about \$100; J. F. Maguire, to improve the building on 123 North Eighth, occupied by the Walts plumbing company, now occupied by the Walts plumbing shop, by cementing the front and north side of the building, to plaster the building inside and make other improvements to cost approximately \$2000.

# CREAM CLEARS A STUFFED UP HEAD

Instantly Opens Every Air Passage—Clears Throat, Too

If your nostrils are clogged and your head stuffed because of nasty catarrh or a cold, apply a little pure antiseptic cream into your nostrils. It penetrates through every air passage, soothing and healing swollen, inflamed membranes and you get instant relief.

Try this. Get a small bottle of Ely's Cream Balm at any drug store. Your clogged nostrils open right up; your head is clear; no more yawning or snuffling. Count Ely. All the stuffiness, dryness, struggling for breath is gone. You feel fine. Adv.

By using the felt of an old hat washers may be made for packing the stuffing boxes of the water pump. These are made more effective if the felt has been boiled in a mixture of tallow and plum-bago.

Carburetor troubles due to leaks and too rich a mixture are more apt to be caused by wear on the natural parts comprising the fuel system.
