## AGENCY TOWN TEAM LOSES TO JUNIOR ELKS

The Junior Elks basketball team of Klamath Falls defeated the strong Klamath Agency town team 40-28 last night at the agency.

This was the best exhibition of basket ball staged this season, in the opinion of many of the fans. The game was clean from every standpoint. There was some excellent passing done by both teams. At the end of the first half the score was 14-8 in the Elks' favor.

The De Molay team met defeat at the hands of the Agency school team, 40-24. They showed lack of condition and this lost them the game. However they will play the tie off next Wednesday at the Agency as each team has won a game and lost a game.

Individual scores for the Elks-Agency town team game were: Agency—Dilstrom 13, E. Dilstrom 9, Burd 7; Elks—Motschenbacher 7, Hogue 6, Beckley 12, Moore 13. Maler and Motschenbacher did an excellent job of guarding.

The high school team will meet the Chiloquin town team the coming Wednesday at the Agency. This should be a very interesting game. Chiloquin has not been beaten this year.

## Glycerine Mixture Prevents Appendicitis

Simple glycerine, backthorn bark, etc., as mixed in Adierika is excellent to guard against appendicitis. Most medicines act only on lower bowel but Adierika acts on BOTH upper and lower bowel and removes all gasses and poisons. Brings out matter you never thought was in your system. Helps any case of gas on the stomach in TEN minutes.—Whitman Drug Co.—Adv.

## WOOD

The continued warm weather, and the fact that we have a large stock of wood on hand, have tended to force prices of fuel down.

We are quoting at present

Single Load ..... \$4.50  
Double Load ..... \$6.50

If you are going to need any more wood now is your time to buy. Winter is not over, you'll need wood.

## If Ruptured Try This Free

Apply it to Any Rupture, Old or Recent, Large or Small and You are on the Road That Has Convinced Thousands.

## Sent Free to Prove This

Anyone ruptured, man, woman or child, should write at once to W. S. Rice, 1154C Main St., Adams, N. Y., for a free trial of his wonderful stimulating application. Just put it on the rupture and the muscles begin to tighten; they begin to bind together so that the opening closes naturally and the need of a support or truss or appliance is then done away with. Don't neglect to send for this free trial. Even if your rupture doesn't bother you what is the use of wearing supports all your life? Why suffer this nuisance? Why run the risk of gangrene and such dangers from a small and innocent little rupture, the kind that has thrown thousands on the operating table? A host of men and women are daily running such risk just because their ruptures do not hurt nor prevent them from getting around. Write at once for this free trial, as it is certainly a wonderful thing and has aided in the cure of ruptures that were as big as a man's two fists. Try and write at once, using the coupon below.

Free for Rupture

## TED THYE WINS FROM H. ENGLE

PORTLAND, Feb. 28.—Ted Thye received the decision after two hours and ten minutes of wrestling last night with Heinle Engle.

Investigations prove that motorists become careless and do not use the locks regularly.

## Camphor Is Big Surprise

Everybody is surprised at the quick results from simple camphor, witch-hazel, hydrastis, etc., as mixed in Lavoptik eye wash. One small bottle helps any case of weak, strained or sore eyes. Aluminum eye cup free. Whitman Drug Co.—Adv.

## CLOSE THIRD OF DIAMOND L. TO FISHING

ROSEBURG, Ore., Feb. 28.—Approximately one-third of Diamond Lake has been closed to fishing, by an order of the Oregon state game commission effective on March 8. The waters eliminated from the fishing grounds lie in the northern end of the lake adjoining the state hatchery, which is the largest egg taking station in the world. The deadline extends from a point north of the resort to Two Bear creek, in a southwesterly direction to the west bank, about a mile and a half north

of the mouth of Silent creek. This action is taken to preserve the fish in the lake, which is becoming one of the best known vacation spots in southern Oregon.

## ROJAS ACCEPTS DEMPSEY OFFER

NEW YORK, Feb. 28.—Cable advices from South America indicate that Quantin Romero-Rojas, the Chilean, has accepted Tex Rickard's proffered opportunity to follow the path cut by Luis Firpo to a championship bout with Jack Dempsey, who has added color and variety to the heavyweight program now being planned for 1924.

Jack Kearns has assured Rickard that Dempsey will be ready to take on Romero-Rojas if he comes up to expectations.

Firpo, it appears, following the apparent collapse of negotiations by a syndicate to match him with Harry Wills and a statement by Rickard that he will abandon efforts to match the Wild Bull and Dempsey if Romero-Rojas comes through, will

spend the season on a tour through America, meeting favorite sons. Harry Wills, who has been seeking a Dempsey match for two years, is not being considered prominently in the new alignment.

## FAMOUS HORSE READY FOR WORK

NEW PORT, Ky., Feb. 28.—In Memoriam, chief color-bearer of the racing stable of Carl Wiedemann, Newport owner, is being prepared for what is expected to be his greatest season. He will be pitted against the best Thoroughbreds in this country, and will be a contestant for speed honors with Epimard, when the French champion comes to Latonia to meet horses of his age.

This gallant son of McGee, who defeated Zev at Latonia and ran the Rancocas star to a nose finish at Churchill Downs, probably will make his first start of the 1924 season in the Clark Handicap, opening day feature at Churchill Downs, according to Bob Gilmore, trainer of the Wiedemann horses. If the colt takes to the early traveling and rounds into form, he may be sent to Maryland to start in the big stakes at Havre de Grace and Pimlico. The trainer said also that in Memoriam would not sidestep any race this season, and that he hoped a meeting could be arranged between the Wiedemann horse and Grey Lag before the season ends. Mr. Wiedemann's string of thoroughbreds has been increased to also by the purchase recently of several well-bred youngsters who already are in training. Among these is Bewitching, a bay filly by Jim Gaffney-Euchantress II, mother of In Memoriam.

Dynamite, a detonating explosive, is never used in guns. It lacks the "push" which non-detonating smokeless powder develops to drive great shells ten miles and more. Likewise, Union Non-Detonating Gasoline provides speed and power which crushing, detonating gasolines cannot deliver.

## Try This—See the Change it makes in motors — Test for Fifty Miles

THERE'S a treat in store for motorists who will try a simple plan. Thousands already know the results this method gives them and now they cannot be induced to change.

It smooths out motors—actually adds improvements as though the motor itself were improved.

There's an added speed on the straightaway, a new snap in the pick-up—wonderfully appreciated in traffic.

And increased power on hills enables you to take many grades on high that have always balked you in the past.

These results—improvements that every motorist seeks—are yours with a mere change of fuel. They will come to any motorist who will use Union Non-Detonating Gasoline, unmixed with any other kind.

But there is only one way for you to prove these statements. Try this plan. Even a fifty mile test will be convincing.

## Why You Get These Results

There are scientific reasons underlying these results. Union Non-Detonating Gasoline is the product of 21 steps in distillation. Some gasolines are made with but two steps.

Without any single step, however, our fuel would not be Union Gasoline, for each step contributes largely to the result you get.

The perfect chain of boiling points is of prime importance. The explosions of Union Gasoline are progressive and sustained—not crashing and instantaneous. That means smooth, even power—an uninterrupted flow.

That's what gives you the extra miles per hour to command, the added snap in the pick-up that makes it easy to escape congestion and the plus power on hills that eliminates so much shifting of gears.

Here's new motoring pleasure for you. Here is, in effect, an improved motor. It's yours in the same easy way that thousands of other motorists get it.

Just fill your tank with Union Gasoline and use it unmixed with any other kind. Your first fifty miles will prove the finest fifty miles you have ever driven. Surely that's a result worth trying to obtain.
