HAVE DARK HAIR AND LOOK YOUNG

Nobody Can Tell When You Darken Gray, Faded Hair With Sage Tea

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wynth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair. A well-known downtown druggist says everybody uses Wynth's Sage and Sulphur Compound now because it darkens so naturally and causes it nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears after another application or two, it is restored to its natural color and looks glossy soft and beautiful.

NEW GERMAN OIL FORMULA RUBS OUT RHEUMATIC PAINS

Remarkable discovery promises quick, soothing relief for rheumatism, neuralgia and neuritis. German Chemistry that has given to the world the boon of Aspirin for the relief of headache, pain, and Novocain for painless dentistry, has now come forward with another self-acting remedy that promises to make nerve, joint and muscular pains a thing of the past for thousands who have suffered terrible tortures. A new combination of certain oils has been discovered which produces immediate relief from pain in many instances. It is so penetrating that it is absorbed within a few seconds so that it must be entirely absorbed by the body tissue. Even in the most advanced and stubborn cases the use of this remarkable oil has shown astonishing improvement at once in cases of "fired" muscles, rheumatism, cramping joints with the pain all gone because supplied, the nerves are quickly soothed and the annoying twinges cease. Rheumatism, gout, neuralgia and neuritis are due to interstitial infections which throw off poisons. These poisons are carried by the blood to the nerve tissue where they irritate and irritate the nerve sheath. The New German Oil is designed to neutralize these irritating poisons, bringing almost instant soothing relief. So astonishing have been the results from the use of this oil that the American distributors have authorized local officials to dispense it to rheumatism, neuralgia and neuritis sufferers in this city with a positive written guarantee, signed by themselves to return the full purchase price of the first bottle if the pain are not wonderfully relieved. All sufferers should take advantage of this liberal offer. Unless you get relief from the very first bottle your drugist will return your money. It is called Buhler Oil, and can be had at most good drugists, such as C. H. Underwood, Southern Oregon Pharmacy, Whitman Drug Co., Currier's Drug Store.—Adv.
