

Murder Victim

Mrs. Maude Bauer (left) was found brutally murdered on a lonely road in Staten Island. She had left her two children Katherine (standing right) and Helen, with her mother in their stalled auto and had accepted a "lift" from a stranger to go for assistance. Police are investigating.

BE PRETTY! TURN GREY HAIR DARK

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of his famous old recipe, improved by the addition of other ingredients at a small cost. Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.—Adv.

RUB PAIN OUT OF RHEUMATIC JOINTS

For 55 years, millions have rubbed soothing, penetrating St. Jacob's Oil right on the tender spot, and by the time they say Jack Robinson—out comes the rheumatic pain and distress. St. Jacob's Oil is a harmless rheumatism and pain liniment which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache and neuralgia. 35-cent bottle guaranteed by all druggists.—Adv.

Fifty Appendicitis Cases in Small Town

In a small southern town over 50 cases of appendicitis occurred in a short time! Simple buckthorn bark, glycerine, etc., as mixed in Adlerika, guards against appendicitis because it acts on BOTH upper and lower bowel and brings out all poisons. Helps any case of gas on the stomach in TEN minutes. Brings out matter you never thought was in your system.—Whitman Drug Co.—Adv.
