"Flaming Youth" Held Startling Photo Feature

Pine Tree Theater to Present Film Story of Famous Book by Warner Fabian. The age-old argument as to whether or not a wife has the right to demand of her husband the same rigidity of standards as he demands of her or to do the same as he does forms the sensational theme of "Flaming Youth," a story of modern unconventional life which comes to the Pine Tree theater today.

At DEL MONTE service counts too

Equally important with the quality of Zerolene, which we believe to be the best oil made for the lubrication of the modern automobile, whether of eastern or western origin and irrespective of price, is the service offered by over 700 Standard Oil Company Service Stations and thousands of Zerolene dealers throughout the Pacific Coast states.

A recent letter from the Del Monte Properties Company, Del Monte, Calif., makes this point:

"We operate a fleet of twelve Winton cars in the guest passenger service in addition to quite a fleet of commercial type vehicles, ranging all the way from Fords to five-ton Packard trucks, all of which are lubricated with the Zerolene oils and greases supplied by your company.

"The uniformly prompt and courteous treatment which we have received in connection with this service is a credit to your organization and it is putting it mildly indeed to state that our experience both with your products and service has been highly satisfactory."

Big users don't pay tribute to the superstition that there is something mysteriously "better" about "eastern" oils just because they cost more — why should you? Insist on Zerolene, even if it does cost less

STANDARD OIL COMPANY (CALIFORNIA)

This booklet reports independent service tests of Zerolene made by a number of large users. Ask any Standard Oil Company sales representative or Zerolene dealer for a copy.
