Fine Love Romance in Thrilling Film

Sweet Story Told in Superb Picture "The Covered Wagon" Coming To The Pine Tree

One of the most compelling and primitive love stories ever told on the screen, is embodied in "The Covered Wagon"—Emerson Hough's novel which was pictureized by James Cruze for Paramount with a feature cast. The picture will be the feature at the Pine Tree theater for four days beginning Friday, July 4.

The romance between Molly Winzate, "the belle of old Liberty town" and young Will Banion, late of Doniphan's army in the war with Mexico, with a clouded record which brings about near disaster for the loves of both, is not only beautiful but inspiring. There is all the strength of passion, the rugged charm and the wilderness sweetness that characterized the country in the days of '48.

"The Covered Wagon" should not be confused with the pageant which was presented here last year. "The Covered Wagon" has never been shown here before, in fact it is the

first time that it has been shown in a picture theater, only playing the big opera houses at prices ranging up to \$3.50 per seat. The Pine Tree will show this production for four days at a general admission of \$1.10. Children will be 50c.
