

THIEF REPEATS BANK ROBBERY

Bandit Makes Second Trip and Gets \$600 at Sacramento

SACRAMENTO, July 1.—The same bandit who three weeks ago held up and robbed the north Sacramento branch of the California Trust and Savings Bank of \$2,000 held up the bank again today and took \$600. The bandit was identified by bank officials as the man who had been there before. He operated in the same manner and fled in an automobile as before.

RYAN DISCHARGED FROM CUSTODY ON ORDERS OF COURT

Jack Ryan was discharged from the custody of Sheriff L. L. Low this morning as a result of the allowing of a writ of habeas corpus by Circuit Judge A. L. Leavitt at 10 a. m. Ryan was fined \$100 for contempt of court last week by County Judge R. H. Bunnell for alleged disregard of an injunction restraining him from interfering with the property included in the Rocky Point resort, until the suits in the circuit court had been settled.

The discharge of Ryan came as a surprise. The hearing was set for 8 o'clock and when it appeared at 10 o'clock that the state was not ready Judge Leavitt allowed the petition.

Frank L. Mars, attorney for Mrs. Maude Wheeler, who is now in possession of the Rocky Point resort, stated this afternoon that the case would be appealed to the state supreme court.

WIRE REVENUE TAX NOW IS ABOLISHED

Special revenue taxes that have been maintained on telephone and telegraph messages for the past several years will be abolished tomorrow, according to orders received at the Western Union telegraph office and the Pacific Telephone and Telegraph company here. The tax on toll telephone calls added considerable to the cost and the abolishing of the tax will be of benefit to the public, said F. E. Crego, local manager of the telephone company.

Lack of Rain Is Indicated, Report Shows

Precipitation Is Far Below Normal Figures for Year State

That the year 1924 bids fair to be one of the driest in the memory of old time residents of Klamath, became evident this morning by a report on the weather conditions of Klamath by H. K. Smith, hydrographer of the local bureau of reclamation.

The total precipitation in Klamath Falls since January 1, 1924, is 60 per cent below normal. Indicating the lack of water in a more comprehensive statement is the report by Mr. Smith that since the beginning of the water storage period, October 1, 1923, the rainfall has been 48 per cent below normal. Dry weather during June continues at about the same proportion as during the month of May, Mr. Smith reports. The total precipitation for the month was .29 inches or 61 per cent below normal. The maximum temperature for the month was yesterday when the temperature went up to 98 degrees. The minimum for the month was 34 degrees. The mean temperature was 62.3 degrees which is 2.8 degrees above the average of last month.

THEFT OF LIQUORS CASE TO BE HEARD

Carl W. Nelson, was bound over to the grand jury this morning by Justice of the Peace R. A. Emmitt, on the charge of larceny of state property, to-wit: 12 gallons of moonshine from the home of G. W. Tankley, state prohibition agent. Nelson it developed, had made a written confession to sheriff L. L. Low of the theft of the whiskey. The whiskey alleged to have been stolen is part of 30 gallons confiscated from W. H. Eten and M. A. Jackson last February.

MUSICIANS ADDED TO INCREASE BAND FOR RODEO EVENTS

Several musicians from Portland and Seattle will be here to play with the Klamath Falls Rodeo band during the celebration this week, announces W. F. Cramer, band leader, who is now completing the arrangements for the participation of the band at the show.

"In addition to the local musicians we are having several men come from outside in order that the best band possible will be formed for the rodeo," Mr. Cramer said. "The band will play in the parade July 4 and also will play each day at the show grounds. During the forenoon of each day of the celebration the band will play in various parts of the business district," the band leader states.

Twenty men will compose the Rodeo band and they will be togged out in the prevailing style of Rodeo dress. New music has been obtained for the show concerts and the Rodeo visitors will be assured of the best of entertainment in the musical line, the leader said.

GOOD PROGRESS IS MADE ON BUILDING OF NEW DRY KILNS

Good progress is being made on the construction of the new set of seven dry kilns for the Eusawa Box company under the direction of the Porter Construction company of this city.

The pouring of concrete for the project which will total a cost of \$100,000 was started Saturday and tomorrow it is expected that the first of the hollow tile walls will be started, is the report of I. K. Porter.

The seven dry kilns occupy a space of 118 feet and there is sufficient room adjoining for the construction of another set of three kilns. Piles are also being set for the dry storage yard that will be built east of the new kilns.

The new kilns work on which has been under way for the past few weeks are expected to be ready for operations by September 1.

DECISION UPHELD IN KLAMATH BANK CASE OVER ASSETS

SAN FRANCISCO, July 1.—Sustaining the decision of the lower court, the United States circuit court of appeals in San Francisco in a decision handed down today held that the United States Fidelity and Guarantee company have a legal right to make a preferential claim for approximately \$20,000 of assets of the defunct First State and Savings bank of Klamath Falls, Oregon, for having met in full deposits of Indians on the Klamath reservation in the bank.

FEMININE WEAR IS RUNNING TO COLOR

ELBERFIELD, Germany, July 1.—Strange but interesting combinations are coming to light this spring in various wares for women, many of the materials manufactured here being for the American trade.

Art silk jumpers in nine different color combinations, in each of which there are eight shades, is one of the season's novelties. Silk and wool jumper suits are being made here by

the thousands in marl mixtures in which almond, brown, tan, blue, grey or fawn predominates. Tennis coats for the summer are in fancy patterns in sage, almond, white champagne and tan.

Multi-colored and marl mixtures appear to be predominating styles, but there will be some mingled stripes in two colors which experts say are very smart indeed. It is predicted that this season in America and England there will be more brilliant colors and wonderful contrasts than ever before.

DEMOCRATS STILL HAVE A DEADLOCK
