AT THE PINE TREE

"The Measure of a Man," Universal feature, coming to the Pine Tree

THE MEASURE OF A MAN
Starring Wm. DESMOND
A UNIVERSAL PICTURE

Theater next Saturday is one of those gripping stories of a man, who, though inspired by kindly motives, realizes that the same strength by which the jungle beasts maintain supremacy is useful in dealing with mankind at times. William Desmond, star of many Western features made by Universal, stars in this story, which was adapted for the screen from a novel written by Norman Duncan.

AT WHITE PELICAN

Amid luxury and untold wealth, she treasured up the memory of a man who had only seen—and kissed her, once. Millionaires offered to marry her, but her heart was true to her memory. And then she met him again, and— She discovered that he had become allied to another!

This is one of various dramatic situations which help to make "The Darling of the Rich," Betty Blythe's latest starring vehicle, an unusual photoplay. The story was written by Dorothy Farnum and directed by John Adolfi. Miss Blythe, as an American girl, and as a Russian Princess (involved in the rivalries of high finance, and plots of a gang of jewel thieves), plays both roles excellently.

At the White Pelican tonight.

AT THE LIBERTY

Marguerite De La Motte, John Bowers, Estelle Taylor, David Butler, Lucille Hutton, Edward Connelley, Ralph Lewis, Vera Lewis, Russell, Simpson and Chester Conklin head the cast of "Desire," which is coming to the Liberty Theatre Sunday. Several hundred people appear throughout the picture and there are several sets of unusual size and beauty.

"Desire" is heralded as one of the best of the recent society dramas that have appeared on the screen. It is from an original story by John B. Clymer and Henry R. Symonds and was made under the direction of Rowland V. Lee, one of the brilliant group of young men who are classed among the leading directors.

Fisher Representatives Serving Biscuits Here

Free biscuits, lots of them, were served yesterday to the Kiwanis Club by E. G. Lawrence, representative of the Fisher Flouring Mills Company of Portland, as the opening gun of a demonstration campaign being waged here this week by the Fisher company.

To day the Rotary club had its turn and Monday evening the Business Women's club will be served. Mr. Lawrence carries with him a portable electric oven, capable of baking 200 biscuits every 10 minutes. In Medford during the past week he served 31,000 free biscuits at civic gatherings.

A demonstration will also be given at the Sanford Grocery company, date of which is to be announced later.
