BROMO QUININE

"There is no other BROMO QUININE"

Proven Safe for more than a Quarter of a Century as an effective remedy for COLDS, GRIP and INFLUENZA, and as a Preventive. Price 30 Cents.

The First and Original Cold and Grip Tablet

IF RHEUMATIC BEGIN ON SALTS

Stay off the damp ground, avoid exposure, keep feet dry, eat no sweets of any kind for a while, drink lots of water and above all take a spoonful of Jad Salts occasionally to help keep down uric and toxic acids.

Rheumatism is caused by poison toxins, called acids, which are generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work; they become weak and sluggish and fail to eliminate this poison, which keeps accumulating and circulating through the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain, called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a table-spoonful in a glass of water and drink before breakfast each morning for a week. This is helpful to neutralize acidity, remove body waste also to stimulate the kidneys, thus helping to rid the blood of these rheumatic poisons.

Jad Salts is inexpensive, and is made from the acid of grapes and lemon juice, combined with lithia, and is used with excellent results by thousands of folks who are subject to rheumatism.—Adv.

Thomas Meighan and Lila Lee in the Paramount Picture "Coming Through"

AT THE PINE TREE

They said he eloped with her for her money. The girl's father even hired thugs to "get" him. Tom didn't blame him, but he "came through" in spite of them all.

Never before has Meighan had such a role as that of Tom Blackford in the Paramount picture, "Coming Through," a screen version of Jack Bethea's mining novel, "Bed Rock," coming to the Pine Tree Theatre.

This picture has another big "beman" role for "Good Luck" Tom—his best to date. Tom's a chief clerk in the offices of a big steel corporation. His father-in-law, the president of the concern, send him down to Colton, the toughest of mining camps, hoping that he may get rid of him through some "accident". But Tom makes good and wins the love of his bride.

Lila Lee is leading woman in "Coming Through," which was directed by Edward Sutherland, until recently Charlie Chaplin's assistant. Wallace Berry, Laurence Wheat, John Milner, Frank Campan and others play in support.

AT THE LIBERTY

Every now and then comes along a motion picture that contains so much of ability and beauty and lavish expenditure that every one that

Tennis Champ

pretends to know anything at all about the rains must see it as a matter of duty, if nothing else. Even more seldom comes a film combining all these qualities, which possesses also the rare attributes of beauty and charm and romantic flavor that make it the pleasurable necessity of every one to see it. Such a picture is "Janice Meredith," starring Marlon Davies, which came to the Liberty Theatre yesterday for a three day run.

It is one of those things that every one must see for the sheer delight of it, and that every one also must see to know anything at all about achievement in motion picture making. Miss Davies outshines even herself in this film.

"Janice Meredith" was adapted from Paul Leicester Ford's novel by Lillie Hayward.

"Janice Meredith will be shown again today and Thursday.

BURKHART MILL SOON TO START

Burkharts mill, one of the smaller lumber concerns in the vicinity of Madocel is preparing to start operation in the near future it was learned here today. The mill owners are having the machinery of the plant overhauled and are making necessary preparations for the reopening of their logging camp. The mill has an eight hour capacity output of between 40,000 and 50,000 board feet of timber, it is reported.

FORMER SPEAKER NAMED

WASHINGTON, Feb. 25. — John H. Edwards, former speaker of the Indiana house of representatives, has been selected by President Coolidge as assistant secretary of the interior.

GET AT THE CAUSE!

The Advice of a Resident of This Locality Shows a Way

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day ails, the sufferer is tormented and what with the burning and scalding, the attendant headache, headache and dizziness, life is indeed a burden. Doan's Pills—a stimulant diuretic to the kidneys—have brought peace and comfort to many Klamath Falls people. Profit by this Medford resident's experience:

J. H. Atwell, painter, 129 W. Eleventh St., Medford, Ore., says: "Doan's Pills are all that is claimed for them. I have taken Doan's on different occasions when suffering from headache and kidney weakness and they have always given me splendid relief."

FOUR YEARS LATER, Mr. Atwell said: "I gladly confirm all I said in my former statement, as Doan's have always helped me when I have needed a kidney remedy."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the name that Mr. Atwell had—Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

COPPER CARBONATE TO CONTROL WHEAT SMUT INCREASING

Throughout the wheat lands of Oregon, Washington and California wheat smut control is increasing the use of copper carbonate for very rapidly from year to year, according to the county agent's office. This method of treatment is displacing the wet solution method formerly used in the past because it is found easier to apply; is more economical; is more efficient and gives better germination and saves twenty per cent of the seed necessary.

In using the copper carbonate dust two ounces per bushel of a good quality copper carbonate dust is used. Inferior grades of copper carbonate are not desirable and are not effective. The best method of application is by the use of machines now being manufactured for this purpose, in which every grain of wheat is sufficiently coated. Treatment is very rapid. A machine costing from \$50 to \$85 has a capacity of over 30 bushels per hour. Seed can be treated several months before the time of planting with no detrimental results.

In the use of a liquid solution a certain percentage of the wheat does not germinate, while in the dust treatment, germination is not affected. People who are using the latter treatment have decreased the amount of seed used by 20 per cent and report a stand fully as good or better. This treatment is recommended by the O. A. C. experiment station, the Washington State college experiment station and the University of California.

GALLAGHER CASE IS HEARD TODAY BEFORE THOMAS

On the serious charge of assaulting his wife, Fannie Gallagher, with attempt to kill, George Gallagher was being given a hearing before United States Commissioner Bert C. Thomas this afternoon. The hearing opened at 2 p. m. The commission of the alleged crime was on December 12, according to the complaint.

Tomorrow afternoon at 2 p. m., the Lang family of the reservation will be given a preliminary hearing before Mr. Thomas on several charges which arose out of an alleged attempt to destroy a public document in the offices of the superintendent of the reservation on February 10.

Mrs. Lulu Lang is charged with attempting to destroy certain public records in a public place and of assaulting another in an attempt to commit a felony. Mrs. Lang, her husband, Thomas Lang, Laupella Lang, and Millard Lang are charged in another complaint with using obscene language in a public place,

JOHN COLLMAN LEAVES WARDS FOR HIS FARM

Sufficiently recovered from wounds incurred when attacked by a man, declared by authorities to be Gus Yorden, a ranch employe, John Collman, well known Klamath rancher, has returned to his home, where he is now convalescing. While Collman is not entirely out of danger, it was said that his recovery was nearly assured. Only an infection setting in would bring a fatal result.

Yorden is being held in jail under an open charge. When it appears that there is no doubt as to Collman's recovery, a charge of assault with intent to kill or assault with a dangerous weapon, will be presented by the district attorney's office. It was stated yesterday by the district attorney's office.

RANGER LAW UPHELD

SAN ANTONIO, Tex., Feb. 25.—Constitutionality of the Texas ranger law was upheld today and state rangers restored to their former legal status, in a decision handed down here by chief justice W. S. Fly, in fourth court of civil appeals. The decision reverses the judgment of the fifty seventh district court, set aside an injunction granted by that court and dismissed the case.

DOCTORS SAY: DON'T NEGLECT COUGH OR COLD

Physicians warn against neglecting coughs and colds and tell of the serious lung complications that may result. Leading physicians now prescribe BALSAMEA for all bronchial affections. BALSAMEA is a pure vegetable preparation made from a newly discovered plant. Dr. Beal F. Crabtree, Anderson, Mo., writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action like nothing else."

Toward the end of the influenza epidemic a government physician noticed that a tribe of Indians in Nevada, by the use of oils from a native plant were immune from the ravages of influenza. He used these oils among his white patients and there in a hospital overflowing with "death" cases. News of the results swept the world and for some time it was not possible to supply the demand.

BALSAMEA has now been standardized and gives uniformly miraculous results in four ways: 1. It soothes the inflamed membrane and relieves irritation. 2. It increases secretion of mucus and permits easy expectoration. 3. It stimulates pores of the skin in throwing off body poisons and 4. It strikes at the cause, checking germ action immediately.

Do not confuse it with ordinary balsam cough syrups that are only soothing syrups and do not go to the heart of the trouble. Unlike other cough remedies BALSAMEA is free from coal tar and other harmful narcotics. Do not take and absolutely safe to give to children.

Be sure you get BALSAMEA with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter how what causes, or your money back. All druggists sell BALSAMEA.

In Klamath Falls buy it from Star Drug Co.
