RHEUMATISM M

IT'S A SHAME FOR YOU NOT TO GET RID OF RHEUMATISM

When Others Do It So Easily With Trunk's Prescription

Mrs. W. H. Stoddard of Upland, Calif., in a letter says: "Trunk's Prescription for rheumatism is the ONLY thing that knocks the rheumatic pains, and to send four bottles."

Mrs. J. C. Broadlove, White Salmon, Man., writes: "I used your medicine for rheumatism and it cured me. I have a father-in-law who is suffering from rheumatism and I want to get it for him."

Mrs. John Ohelle, 927 W. 3d St., Los Angeles, Calif., writes that "Several years ago my husband was confined to his bed with rheumatism for seven months. In looking over a paper we saw the advertisement for Trunk's Prescription. He used the medicine and the cure was marvelous and permanent. I have recommended it to a number of people and it has helped them all. It is a very valuable medicine."

What these people have done hundreds of others have done, hundreds will do tomorrow, and YOU can be one of them. An amazingly easy treatment for the relief of all forms of rheumatism. If every man and woman who have rheumatism in any form would take Trunk's Prescription there would be but one remedy remaining on the market, and that one would be Trunk's Prescription, as it stands alone in its good effects and results, so much so that all other remedies would be laid aside as forgotten. No matter how long standing your case may be or the innumerable treatments tried in vain, simply follow this treatment as directed and rheumatism cannot exist in the human body. There are only two instances in which these prescriptions can fail, and that is if you haven't rheumatism, and if you do not read and follow the directions of the distributors.
