ACID IN STOMACH SOURS THE FOOD

A well-known authority states that stomach trouble and indigestion are nearly always due to acidity—acid stomach—and not, as most folks believe, from a lack of digestive juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts food fermentation; then our meals sour like garbage in a can, forming acid fluid and gases, which inflame the stomach like a toy balloon. We then get that heavy, lumpy feeling in the chest, we eructate sour food, belch gas or have heartburn, flatulence, waterbrash or nausea. He tells us to lay aside all digestive aids and instead get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast, while it is effervescing, and furthermore, to continue this for one week. While relief often follows the first dose, it is important to neutralize the acidity, remove the gas-making mass start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices. Jad Salts is inexpensive, and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of stomach sufferers with excellent results.—Adv.

Stop That Backache Many Klamath Falls Folks Have Found The Way

Is a dull, nerve-racking backache wearing you out? Do you feel older and slower than you should? Are you tired, weak and nervous? And it impossible to be happy or enjoy the good times around you? Then there's something wrong and likely it's your kidneys. Why not get at the cause? Use Doan's Pills—a stimulant diuretic to the kidneys. Your neighbors recommend Doan's. Read what this Klamath Falls resident says: "Mrs. J. T. McCullum, 407 Ninth St., says: 'When I have attacks of backache and feel run down or my kidneys don't act right, a short use of Doan's Pills soon corrects the trouble and strengthens my back and kidneys.'"

Mrs. McCullum is only one of many Klamath Falls people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mrs. McCullum had—the remedy backed by home testimony. 60 cents at all dealers. At no time during the game, was the Pelican Bay team lead by Merrill. Steady and consistent, the saw mill boys piled up basket after basket, thus nullifying frequent rallies by their opponents.

The line-up of the winning team last night was as follows: Hendrickson, right forward; Wortley, left guard; Givold, center; Singley, right guard; Smith and Taylor, left guard. Vernon Moore of Klamath Falls was referee.

Pelican Bay team will clash with the Fort Klamath quintet on March 10, it was announced. The Lumber company team are developing into a strong aggregation capable of giving the strongest teams in the county a stiff game.
