The first bout will start promptly at 8:30. Burke's ability is well known throughout the county as he has met some of the best grapplers in the game here during the past year and has always given a good account of himself. Gustavo also has been seen in action here and is known as one of the toughest light heavyweights in the business.

Henry Deabenderfer, Who Will Meet Henry Burke

Ad Gustavo, Who Meets the Masked Marvel

The Masked Marvel has wrestled all over the country and ought to make it a regular re-match with Gustavo. Deabenderfer has a host of admirers in northern California who believe he will take Burke's measure before their bout is over.

**O. A. C. WINNER OVER U. OF O.**

SALEM, Ore., March 10.—When Westergren, University of Oregon guard, failed to convert a free throw after the gun sounded in the Oregon-O. A. C. basketball game last night, he gave to the Aggies the championship of the northern section of the Pacific Coast conference and the right to meet California to decide the coast title. Westergren's scrappy playing had been a feature of the whole game, but with the score standing 27 to 26 in favor of O. A. C., and playing time completely gone, the ball struck the right rim of the basket, hesitated and fell away. Each team took a slight lead four different times, the longest lead being one of five points, held by Oregon late in the second period. The count was tied four different times. The first half ended 13 to 13. Over 1500 people packed the Willamette university gymnasium, where the game was played, with nearly as many left outside listening to the plays as they were announced to them. At 6 o'clock last night tickets were selling on the streets of Salem for \$5 apiece.
