Quality begins at home

You've never found quite that smoothness of flavor—that appetizing smell—that tempering to your taste—as in the coffee you get at home.

And quality in the coffee itself begins at home, too, territorially speaking. You'd search in vain for coffee blended anywhere that can begin to excel Golden West Coffee.

Selective choice of the world's best-flavored high-grown coffees and 40-odd years of catering to tens of thousands of good-coffee judges have made it so.
