Highheavyweights in the United States. He has won over Ted Thye, Mike Yokel and other local wrestlers.

For not being in constant training with frequent matches, Burke is considered one of the best wrestlers in the northwest. He is always in good shape and can step out at a moment's notice and hold his own against the best opponents.

It is understood that the Moose lodge is anxious to promote the bout, and if Edwards can be secured for early in April or sooner there is every chance that the match will be signed.

BEARS WINNERS OVER "AGGIES"

CORVALLIS, Ore., March 14.—The California Bears got revenge last night for the defeat handed out to them Thursday evening by the Oregon Aggie basketball quintet, winning the second of the three game series for the coast title, 32 to 17. The final and deciding game will be played tonight with both contenders on even terms.

The Californians displayed a much different brand of basketball in last night's game than on the previous night. The Bears, by close checking, almost completely smothered the Aggie sharp shooters, holding their opponents to three field goals for the entire game. The Aggies made up the bulk of their scores from free throws. Riddings, star Aggie forward, whose speciality is looping the ball through the basket, failed last night to get a single field goal.

Kansas City Light Heavyweight Grappler May Meet Local Man

What should be one of the biggest wrestling cards staged here in many months is on the cards for the first of April, it became known today when members of the Moose lodge began angling for a match between Henry Burke, Klamath middleweight, and Billy Edwards, famed Kansas City light heavyweight.

If made, it would be a handicap match, but would give local wrestling fans a real line on the local grappler, inasmuch as Edwards is rated as one of the three leading
