KLAMATH HIGH WINS BIG GAME

What a crowd at Merrill last Friday night! The gym was packed to overflowing. I arrived about 8 o'clock to find a dozen downcast folks standing outside on the steps with the schoolhouse door locked.

Our boys won in spite of the fact that about everything seemed against us. Hurray for Klamath! Let's do it again!

NEW KLAMATH COUNTY HIGH SCHOOL NOT YET—NOR SOON

A block on High street is now under preparation for the erection of a large grade school, which will add one more to the already seemingly large number of these schools in Klamath Falls at the present time.

Who is to blame for this sad state of affairs? Isn't it possible for the city officials or school board to erect a new building and give the high school students the studies that will benefit and enable them to earn their living later in life?

TEAM STARTS WORK

The debate team, which has done nothing during the past week, upon receiving the schedule once more started to work. They will meet Ashland at Ashland, April 10, 1925, taking the negative.

TEACHERS HIKE

Last Sunday, thirteen girls including three honored school marms, went for a hike. It was a hike of just a few miles which led them to a pretty clearing on top of a hill.

NEW ORCHESTRA ORGANIZED

Several students of K. C. H. S. who are in Mr. Borel's Little Symphony orchestra have spent a busy week practicing for their recital, which is to be held at the Presbyterian church on Monday, March 23.

BASKET TOSSERS WIN FROM MERRILL HIGH

Table with columns: Team, Won, Lost, Pct. Rows include Merrill, Klamath, Henley, Agency, Malin.

KLAMATH DEFEATS MERRILL Tie for Cup—Score 17-16

In the hardest fought and most spectacular game of the season, Klamath Hi emerged victor by a one-point margin. Merrill's chance for victory was gone when two foul shots were shot and both missed after the close of the game.

Much credit is due the Merrill boys for the teamwork displayed, but the Klamath quintet deserved the victory for the fight they showed at every point in the game.

The Merrill boys made 4 points before Klamath scored and were one point ahead at the end of the first half, the score being 3 to 7.

Excellent guarding by Hall and Molatore, by far the best this season, was one of the outstanding factors of the victory. The fight put in by Beckley, Graham, Soule and Barnes is also worthy of mention.

The final game with the Agency five will be played tonight at the Agency. If this game is won Klamath will play the tie off with Merrill this coming week.

Basketball Practice On Tennis Court Baskets at each end of the city's cement tennis court have been erected and are being used daily by the Klamath Hi hoopsters.

Practice for the baseball nine opened Tuesday evening at Modoc Park. An extra large crowd was out for the first practice and several of the last year letter men will not be out until next week after basketball season closes.

At present the field is in very poor condition, but it will be worked into shape during the coming week and will be settled well for the first game March 27.

The schedule starts March 27 and some hard practice will be put in next week.

As a result of a postponing of the El Rodeo sales campaign the Hi Kenotes will issue the booster number next week.

As a result of a postponing of the El Rodeo sales campaign the Hi Kenotes will issue the booster number next week.

GIRLS' TEAM WORKING

The girls' baseball team is proving to be a very good one. With a little more practice the team will be out to win.

Miss Cronquist, coach, Mary Whitelins, manager, Frances Reed, captain, met in Miss Cronquist's room for the purpose of choosing a team for baseball. The line-up was not completed. Those picked were: Mary Whitelins pitcher; with Mary Hunt sub.; Dorothy Hoermann catcher; Margaret Barclay, first base; Zeph Rogers, second base; Iona Ziegler, third base; Frances Reed, right short; Venice Moore, left short; Thelma Thigley, right field; Mary Hunt left field.

This line-up is subject to change at any time. It is planned to choose two teams, first and second. A large number of girls have turned out every night.

WE WANT A GYM

A great deal of pep and enthusiasm was shown by the students and visitors from Klamath Falls at the basketball game at Merrill, Friday night. Klamath is proud, very proud, of her team and the good work shown by them.

You may say, "Klamath High School students want too much." Can you point to a city the size of Klamath Falls that has a high school ready to topple over when the wind blows very hard and that has no gymnasium? It will cost a little money, of course, but the school students will willingly cooperate with the people backing them.

When are we going to get it? Where we play basket-ball, With posts up in our way, We seem to hear a wee voice call "You'll have a gym-some day."

Smokehouse Poetry Oh hideous noise, There is none worse Than the blood-curdling cry Of a Ford in reverse.

HI PRUN-O GRAPHS By Hi Lariza

The school-bell will not ring today; I fear we'll have to scrap 'er, Father had to have his iron, And so he et the clapper.

H. Chapman (in assembly) "Order! please." Toby (absent minded) "Ham and eggs, and make it snappy."

Miss Mack (in civics) "Bill, give the ten commandments." Bill "Remember the Sabbath-day and keep Sunday holy."

Keep it a Secret First Frosh: (Noticing smoke in basement) "Whew! I wonder where all this smoke is coming from. Maybe the school is on fire!" Second Frosh: "I don't know, but keep it quiet any way."

A Cheap Guy Budgo Maguire: "Say Nahum sure is a cheap skate." Paul Campbell: "Yeah, how's that?"

Budgo Maguire: "Oh, I owe him fifteen cents, and every time he sees me he asks me for it. I guess I'll have to pay it."

LEARN TEN COMMANDMENTS

Miss Mack's civics classes spent Wednesday in learning and reciting the Ten Commandments. It was considered very hard by some, as they had never been forced to do such a thing before, while others seemed to enjoy it.

However, they all survived and will resume their regular work tomorrow.

TAKE WARNING

You of the Industrial Arts club had better pay your dues, if you wish to take a fishing trip this spring. There will be cars to rent and grub to buy, so let's all pitch in and provide the wherewithal for a good time.

BASEBALL SEASON OPENS

The Klamath High school boys had a good turnout for first day of the baseball season, which started Tuesday. The boys have a good schedule for this season and are hoping to carry off first honors.

Fast work has to be accomplished as they play a game with Merrill High here the twenty-seventh.

ST. PAT HIMSELF

Do you believe in St. Patrick? Of course I know you're all thinking, "what a silly question for anyone to ask for of course St. Pats been pushing daisies for centuries." But, don't be too sure!

It seems this noble Irish man paid one of our faculty a mysterious visit yesterday. Just how, when and why he did we can't be sure, but of one thing we are positive of and that is that he was there because he left a calling card.

The card happened to be of yellow with best wishes from St. Patrick written on it and a piece of green ribbon attached. Can you imagine it? Well, neither can Miss Martinson for she firmly states that the doors to her rooms were locked and other than the windows there was no other means of entry.

Can you help us solve this mystery? If you can, just call on Miss Martinson in her third floor domicile and get the particulars.

CLASS VISITS ICE-PLANT

The chemistry class, led by Miss Withycombe, walked to the local ice plant on Thursday of this week. The class seemed to enjoy obtaining their freedom for a short time during the school hours. On arriving, Fred Fleet, one of the employees of the plant, took the class to the manufacturing room; there he explained in detail the different processes of ice making. He has had a great deal of experience along this line, so was able to make his talk interesting. He even answered the difficult questions that were asked him about the plant.

SENIOR NOTES

At a class meeting held Thursday March 12, a committee consisting of Anna Michaelson chairman, Florence Hector, Mildred Taber, Oliver Parvner, and Wendell Smith, was appointed to select the senior play. At present this committee is busily engaged in examining numerous suggested plays and will make a report soon.

A committee on class moltoes, Wendell Smith chairman, Florence Hector, Mary Whitelins, Honor Cone and Harold Bateman, members, was also appointed. Several motions have been selected and will be submitted to the class at the next meeting.

The red rose was adopted by a majority vote as the official class flower.

JUNIOR NOTES

Junior Class to Put on Vaudeville The Junior class has decided to put on a vaudeville at the Pine Tree theatre sometime in the near future. Nothing has been decided permanently as yet, on account of the Senior play.

Concert to be Held Soon

One of the most interesting events of this season will be a recital to be given by the Sacred Heart Academy at eight o'clock, Tuesday evening, March 24, at the White Pelican hotel. Tickets are on sale now. Those participating in the concert are the Misses Florence Elliott, Marie Havenport, Clarice Elliott, Leatha Grey, Lydia von Bertelsdorf, Mrs. F. Offield and Mrs. L. Alton.

SOPHOMORE NOTES

Sophomores Meet

Eva Anderson called a meeting of the sophomore class, Wednesday after school. This meeting was to discuss class rings and pins. It was also decided at the meeting that members were to pay for their group pictures individually instead of out of the class treasury. This picture is a half tone cut to occupy a full page in the El Rodeo.

Miss Maude Carleton motored to the Agency with Miss Lydia Fricke last Sunday. They were the dinner guests of Mr. and Mrs. Johnson.

Sophomore Class Will Not Give Play

The Sophomore class will not give their play at Mills School as advertised, as one member of the cast will play in the basketball game and another plays in the orchestra on the evening scheduled for the performance.

"Maggie, how are you getting along in school?" "Fine, I'm in the best position in the class."

"Splendid! Top 1 suppose?" "No, right at the foot, near the hot water pipes."

At a meeting of the Girls' Literary Society the constitution was adopted and officers elected. The officers are as follows: Anna Betzer, president; Mary Hunt, vice president; Veneta Howell, sec. and treas.

Membership will be limited to those who have at least a "B plus" in English and are voted in by the society.

The meetings will be held on the last Monday of every month at the homes of members. The next meeting will be held at the home of Thelma Grizzle on March 20.

MINATURE AQUARIUM

Miss Withycombe's class has a very interesting aquarium, which they started about a month ago. At first it contained two or three leeches and three anfish. Since then some little minnows have been added to the collection. One of the boys brought some clams also.

Last week a turtle and a frog were contributed. This makes quite an interesting little aquarium. The class say that they expect to add a good deal more to it before the end of the year.

CLASS MAKES COSTUMES

The sewing classes at the K. G. H. S. have been busy making costumes for those taking part in the operetta. They were directed by Miss Esther Martinson, domestic art teacher. They started Thursday, March 12, and completed the work last Tuesday.
