SERIOUS LUNG TROUBLE STARTS WITH COUGHING

Physician warn against neglecting coughs and colds and warn of serious complications that may result. Leading physicians now prescribe BAL-SA-ME-A for all bronchial affections. BAL-SA-ME-A is a safe, reliable preparation made from a newly discovered plant, Dr. H. F. Crutcher, Anderson, Mo., writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action like nothing else."

Toward the end of the influenza epidemic a government physician noticed that a tribe of Indians in Nevada, by the use of a certain native plant were immune from the ravages of influenza. He used these oils among his white patients and them in a hospital overflowing with "death" cases. News of the results swept the world and for some time it was not possible to supply the demand.

BAL-SA-ME-A has now been standardized and gives without any untoward results in four ways: 1. It soothes the inflamed membrane and relieves irritation. 2. It increases secretion of mucus and permits easy expectoration. 3. It stimulates pores of the skin in throwing off body poisons and strikes at the cause, checking germ action immediately.

Do not confuse it with ordinary balsam cough syrups that are only soothing syrups and do not go to the base of the trouble. Unlike other cough remedies BAL-SA-ME-A is free from coal tar and other harmful narcotics. Pleasant to take and absolutely safe to live in children.

Be sure you get BAL-SA-ME-A with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter what the cause, or your money back. All drug stores sell BAL-SA-ME-A. In Klamath Falls buy it from Star Drug Co.

IF BACK HURTS BEGIN ON SALTS

No man or woman can make a mistake by flushing the kidneys occasionally, says a well-known authority. Eating too much rich food creates acids, which excite the kidneys. They become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood. Then we get sick. Rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders often come from sluggish kidneys. The moment you feel a dull ache in the kidneys, or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage, or attended by a sensation of scalding, begin drinking a quart of water each day, also get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast, and a few days your kidneys may act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush and stimulate the kidneys; also to help neutralize the acids in the system, so they no longer cause irritation, thus often relieving bladder weakness. Jad Salts is inexpensive; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep the kidneys clean and active and the blood pure, thereby often avoiding serious kidney complications. By all means have your physician examine your kidneys at least twice a year.—Adv.
