

Edlow-Spring is the first great mattress improvement!

FOR many, many years mattresses were being made along the same lines—no change or improvements. No matter how fine the materials used a mattress would sag, stretch and lose its resiliency in a few years. Then came the Edlow-Spring mattress—embodying the first great mattress improvement.

The Edlow-Spring is a flexible, piano-wire spring built right into the heart of the finest mattress materials. To test it for a lifetime of use one was collapsed 800,000 times.

An Edlow-Spring mattress costs less than 1 cent a night. Guaranteed not to sag, stretch or lose its resiliency for 20 years.

TUESDAY BOXING CARD ANNOUNCED BY J. PATTERSON

Five Four-Round Bouts to Feature Reopening of Fight Game in K. F.

Twenty rounds of torrid fighting will feature the boxing card at the Scandinavian hall next Tuesday night when five four round events will be staged.

Promoter J. E. Patterson this morning announced the card, which is as follows:

J. Morgan and Harold Lightfoot, lightweights, curtain raisers. Jack Crim of Klamath and Chick Kennedy of Ashland, 148 pounds. Joe Adams of Salem and Earl "Dummy" Poole of Weed, 132 pounds.

Wilbur Harrington of Klamath Falls and Morris Harris of Ashland, 138 pounds.

Joe Gorman of Grants Pass and Abie Gordon of Portland, bantamweights.

Patterson was especially glad to procure a fighter of the merit of Harris, who, he says, has been laying his opponents low at every bout. Harris will clash with Wilbur Harrington, Klamath Falls slugger, who has been seen in action in this city on a number of occasions.

Patterson predicted that the Adams-Poole scrap would be a hot fight. Adams is new in this territory but comes with a good reputation as a clean fast fighter. Poole is well known in southern Oregon and northern California rings.

Patterson has not decided who he will headline. He tends to favor Gordon and Gorman as headliners but will withhold judgment until he has seen all the boys work out at the gym.

Instead of the 16-foot ring-as in the past, Mr. Patterson will provide a 20-foot ring for the bouts. This will allow the fighters more room.

Gorman-Gordon Battle Will Be One of Hottest

Two Little Scrappers Will Tangle in Klamath Falls Next Tuesday Night

Will Abie Gordon, despite all his swiftness and cleverness, be able to withstand the terrific onslaught of Joe Gorman, who will outweigh Gordon at least fifteen pounds?

This is the question that is puzzling fight fans in and about Klamath Falls today. It is, in fact, worrying the ring siders far more than Abie himself.

"If it were going to be a ten-round go I might hesitate because when Joe hits he has an awful lot of steam behind his blows," the little bantam said today. "But I can beat him in four rounds by keeping a left hand in his face all the time."

Both of the little fighters have featured scores of bo cards in the big time, particularly Portland. Joe Gorman has even fought a semi-final in the Madison Square garden at New York, and his fight at that time is talked about even to this day. Gorman is a short, chunky Portuguese, built from the ground up and with the heart of a lion. He believes in the principal of taking a blow to give a better one in return.

Whatever the outcome of the match, Klamath fans will undoubtedly be treated to one of the hottest four rounds of concentrated fighting ever witnessed here.

Abie Gordon is an old timer of note in Portland. He has taken on all the boys of his weight in Portland. His greatest fights were with Frankie Grandetta, bantam flash, of Portland, who is now fighting in Los Angeles.

Gordon is convinced that Klamath Falls holds great promise for boxers. It is likely that if Gordon and Gorman go over big that they will be rematched as main events.

TRACK MEET IS SET FOR MAY 9

Date for the Klamath county school track meet was set for May 8, at a meeting of high school principals held in the county school superintendent's office. The meet will be held on the county fair grounds. All elementary and secondary schools will be urged to attend them.

James Luebke, principal of Bonanza high school, was elected general manager of the field meet.

The following rules were adopted by the principals, to govern the track meet:

1. Students participating in the meet shall be limited to those under the age of 21 years, who shall be in regular attendance.

2. No school shall enter more than two contestants in any one event, nor shall any one student enter more than four events.

3. Points will be awarded for the first three places in each event.

5 points for 1st place; 3 points for 2nd place; 1 point for 3rd place.

An exception to this ruling is: That in the relay race the winning team only shall receive points, 5 being awarded.

4. Ribbons shall be awarded for 1st, 2nd and 3rd places. A pennant shall be awarded to each winning relay team. The high point man of the meet shall receive a medal.

5. An admission price of 10c for students, 25c for adults, and 75c for family tickets will be charged. Students who are to represent their school in any of the scheduled events shall be admitted free of charge.

6. Each school planning to enter the meet must mail a list of the students who will represent the school to P. M. Nash, Henley High school, Merrill Route, on or before May 1. Late entries cannot be recognized.

PRESBYTERIANS TO HOLD ANNUAL MEET AT CHURCH TONIGHT

The annual meeting and a social hour brings together the members of the Presbyterian church and congregation tonight at 7:30 in the church auditorium. Reports of the year's activities and election of officers for the year beginning April 1 will be the principal items of interest in the business session which will be followed by a social time in the basement rooms after which refreshments will be served. All those interested in the work of this church will be welcome.

The play "The Village Photographer" which the C. E. society of the Presbyterian church had planned to present on this Thursday evening has been postponed to a date which will be announced later.
