## Carload of Cotton Seed Cake Just Received

Cotton seed cake contains more food value per pound than any of the grain feeds. It is good for sheep, cattle or horses. With bran at forty dollars per ton you could pay \$160 per ton for cotton seed cake and have the same food value for each dollar spent. Two ounces per day with a little roughage will keep a sheep in good condition. Try a ton of this feed. The price until further notice is \$61.30 per ton. Get your order in before it is all sold.
