AT THE PINE TREE

Wallace Beery and William Collier Jr. have challenged each other to a finish fight with bare fists and boot heels. The battle is to take place in "Devil's Cargo" on Thursday and Friday. The place is the

Pine Tree theater—and there is no way of cancelling the battle other than by changing the play dates of Victor Fleming's latest production for Paramount. "The Devil's Cargo," in which the belligerent pair are featured with Pauline Starke and Claire Adams in the leading roles.

Collier is barely five feet ten and weighs 140 pounds; Beery is six feet one and weighs 235. Beery is the favorite in such wagers as are

being made regarding the outcome. Our advice is to save your money, see the picture and enjoy yourself. "The Devil's Cargo" is a 10-act melodrama, adapted from Charles Whitaker's story, "The River Boat."

AT THE LIBERTY

What a fragile thing is a woman's reputation! How she had guarded it—and now as the last spectator filed from the courtroom she was a branded woman! Her good name besmirched! Her honor sacrificed on the altar of a man's ambition! In despair, terror—horror at the thing that had befallen her, she turned to the judge—"You! You know I am innocent!" she cried, "yet you let them brand me! But I shall live to see you dragged in the mire as you have dragged me." Then she ran away to the far north county—across "The White Frontier" where people go to forget—and to be forgotten—and there amid the great snows and the unleashed passions, this drama of woman's love and woman's vengeance sweeps on to its thundering and unexpected climax. In "The White Frontier" at the Liberty tonight.

Come early to the Liberty Theater tonight for it's the closing night of Bell-Confair and Little Johnny Houston. The Liberty Harmony Trio in songs you love to hear and believe us folks the show tonight is worth fifty cents of any one money. But you're going to get it at regular prices, which speaks vol-

unts for the Liberty policy of the best always at a reasonable price.

Has a woman the right to spy on her husband? Is it ethical for her to hire a detective to watch him if she thinks he is "wandering?" Or should she disdain to do such things, deeming it unworthy of her love?

This is the problem that confronts Diana Moreland in "Wandering Husbands." Her husband has been philandering, but for the sake of her child and because he promised to reform, she forgave him. Wandering Husbands at the Liberty Thursday only.
