Service

Many of you know that about three years ago we placed in operation our own individual delivery system. Since that time many competitors have spent money advertising against our service only in the end to find it necessary to offer the public some kind of a makeshift delivery service, endeavoring to keep a part of what business they had left.

Many of you already know that today our delivery service is not equalled in Klamath County. We make from 5 to 10 deliveries daily to any part of the city. You can phone us your order and pay our deliveryman at your home.
