

Make the Folger Coffee Test
 Drink Folger's Golden Gate Coffee tomorrow morning. The next morning drink the coffee you have been using. The third morning drink Folger's again.
 A morning or two and you'll decidedly favor one brand or the other; the best coffee wins.
That's fair isn't it?

This test showed my customers
how to judge coffee quality

—so say the grocers in the 29 states where FOLGER'S GOLDEN GATE COFFEE is demanded.

If you haven't yet made the Folger Coffee Test you have overlooked the practical way to judge the quality of your coffee.

It's a simple test, and it plays no favorites. You just try Folger's Golden Gate against any other brand. The best coffee wins.

BIG WRESTLING BOUT TOMORROW

Burke and Gustavo All Set for Their Finish Go at the Moose Hall

"I am ready right now to step through the ropes and give the best match of my career."

This was the claim today of Ad Gustavo, who will meet Henry Burke of Klamath Falls in the main event of the wrestling card to be staged by the Moose lodge at Moose Hall tomorrow night.

Burke appears just as confident of taking the measure of his heavier opponent, so fans can look for one of the hardest fought grappling nettes they have seen here in many long months.

A couple of boxing preliminaries will precede the main event wrestling match. Joe Miller, a protegee of Able Gordon, will tangle four rounds or less with Joe Adams. Both boys weigh 135 pounds, and ought to put up a whale of a scrap. There will be another fast bout as well, according to the promoters. Seat sales are going fast and the card ought to result in a crowded house.

LANGELL'S VALLEY FARMERS MAY SELL TO CALIFORNIANS

Options on 9720 acres of land were given to Sam Head at Lorella last night at a mass meeting of Langell's valley farmers. This action was in accordance with an agreement reached last week, when Head appeared before the farmers on behalf of Owens valley ranchers of California, and indicated that the Californians desired to migrate to Klamath county.

In addition to giving the options, the Langell's valley folk, through their community club, extended an invitation to the Owens valley ranchers to settle in this county.

Head will go to California and make an effort to interest the Owens valley farmers in this section. He expects to bring back a large number of them to settle here permanently early this summer.

One of Baseball's Best

Here we have Rogers Hornsby, St. Louis Cardinals' star, and one of the best hitters baseball has produced. For the past five seasons, Hornsby has led the National League in batting, establishing a new mark for modern play of .424 last year. Hornsby has two pet ambitions—one is to beat Ty Cobb's record of nine consecutive batting championships, and the other to excel Hughie Duffy's mark of .438, the game's highest hitting average. Photo shows closeup of Hornsby and in batting action.
