CRATER LAKE SHRINE CLUB TO STAGE HI-JINKS MONDAY NIGHT

Going to the great demand for a repetition of the wonderful Hi-Jinks and show which was given by the Crater Lake Shrine club, Friday night, March 27th, at the Scandinavian Hall, the show will be repeated next Monday night to accommodate those who did not see it and those who wish to see it again.

There has been such a big demand for this show in other territories, such as Malin and Medford, that the officials of the Shrine Club felt that they should again give Klamath Falls their first chance and then take the show to Medford.

This, being the only and best show of its kind ever shown in Klamath Falls, has caused much comment by those who saw it, and has made those who did not see it wish they had attended.

In addition to the seven regular acts, there have been two acts added, making nine acts in all, of the very finest, cleanest, best of amateur and professional talent obtainable.

This will be your opportunity to have a good laugh and hear some of the latest and oldest songs that we like. The feature picture will start at seven o'clock and the vaudeville will go on about eight fifteen.
