

For the Easter Parade

Your shoes play the most important part. They must be right in style and workmanship before you can have that well dressed feeling.

Better Styles

At Easter time, just as at any other time of the year, we have the finest footwear that the market affords. We believe that the women and men of Klamath Falls are entitled to the best and that is our reason for carrying nothing but the best in style and sold at a price as low as consistent with good business.

The Folger Test invites comparison

All the claims in the world won't establish the quality of any brand of coffee. But your taste will. It will tell you the kind of coffee it likes best.

That's why we introduced the Folger Coffee Test. We want you to test Folger's against any other known brand of coffee. Then you'll know from actual comparison how quality varies with different brands. The best coffee wins.
