

# People Want Lower Tire Prices

Shortly over a month ago we received our first shipment of Norwalks—a full carload.

Despite the fact that it was the slack season, we decided to advertise these tires, believing that a few sales would result.

The overwhelming response to the advertising, far beyond our expectations, has proved that Klamath County residents appreciate TRUE TIRE VALUES.

So here we are again. Here are latest low prices on Norwalk Leto Cords:—

### Tire Insurance

Don't worry about your tires standing the gaff. Those whose tire repair bills are a source of constant worry will be glad to know that we now offer an insurance policy for every tire, covering various road hazards. Let us do the worrying. Ask about this unique feature, for which we have the sole rights in Klamath county. If you do much rough driving, it means money to you.

### BOY SCOUTS ENJOY BANQUET MONDAY

Members of the Klamath Falls boy scout troop were entertained by Knights of Pythias on Monday night when the latter were hosts with a surprise party and banquet. Boxing and wrestling matches were interesting events of the evening with Herman Darley, weighing in at 92, and George Merriman at 91 entertaining with a terrific two-round bout which Referee Hiskerson announced as a draw. Jack Hale won from Jack Elliott in two straight falls in a wrestling match, the first in two and a half minutes, the second in one minute.

Plans for a trip to the Lava Beds were made during the banquet, the date scheduled for April 28. The scouts were addressed Monday by the arrival of the troop charter and their individual registration cards. The charter will be framed and hung in the assembly hall of all scout meetings.

### PORTLAND TO GET TWO NEW PLAYERS

PHILADELPHIA, April 15.—Manager Connie Mack of the Philadelphia Athletics, announced last night that he had sent Outfielder Bagwell and Pitcher Meeker to the Portland team in exchange for first baseman Jim Poole. Mack said that no cash was involved in the deal. Bagwell and Meeker left at once for the west. Poole played with the Athletics yesterday against Boston. He made three hits, one of them a home run.

#### CAN THEY FISH?

Teachers Claim That Izak Walton Had Nothing On Them

In order to get ahead of the fishing season a little and because cat-fishing is not in the jurisdiction of fishing limits at all, three teachers of Klamath county schools spent the day on Lost River Tuesday and returned to their homes with an unusually large number of fish in the basket. They divided the 26 fish and decided to tackle the frisky trout next week. The teachers are Ellen Clyne, Florence Oilman and Lillian Green.

Mosquitoes are trimming their bills down for summer boarders while others are trimming their bills up.

### STOP FIRE ESSAY PRIZE IS OFFERED

An essay contest, in which every high school student in Klamath is eligible will be staged immediately, under the direction of the Klamath County Stop Forest Fires association.
