

And Still You Don't Save Money—

No matter how long you put off having your teeth looked after, some day you have to pay. The longer you wait the more you pay. For this reason you should see us without delay, while your teeth have little wrong with them. We examine free.

Good Words Everywhere

Ask the men at your garage—the boss—or the mechanic who works on your car what they know about today's Oakland. You will hear on all sides that Oakland is winning and holding increasing good will. Certainly there must be good reasons for this. Come in and learn these reasons first-hand. Then verify them by driving an Oakland yourself on our invitation. Let us explain also how the liberal General Motors Time Payment Plan saves money on time purchases.
