

**Make the Folger Coffee Test**

Drink Folger's Golden Gate Coffee tomorrow morning. The next morning drink the coffee you have been using. The third morning drink Folger's again. A morning or two and you'll decidedly favor one brand or the other; the best coffee wins. That's fair isn't it?

**Make coffee flavor prove itself this easy way**

Now you can challenge the quality of any brand of coffee in all of the 29 states where FOLGER'S GOLDEN GATE is sold.

When you make the Folger Coffee Test you make coffee flavor prove itself. You make a fair comparison between Folger's and any other brand—and let the best coffee win.

Be fair to yourself. Order a can of FOLGER'S GOLDEN GATE and start making the test tomorrow.

Now We Are Going to Ask—What Would You Do?

If you had several thousands of dollars in cold cash, tied up in merchandise. You were forced to close out and had only a limited time to do it in. You would make the price so low the stock would actually disappear from your shelves. That's exactly our fix and the time has come that if low prices will sell the stuff it will be gone as quickly as it is possible for us to wrap it up.

MER-CHANDISE

will not only be sold at one-third to one-half price, but in many instances it will be carried out at one-third to one-half of the actual cost of the goods.
