

Always Looks New

Of course you want Duco—the finish that Oakland pioneered and perfected. Duco is as far in advance of the former automobile finishes as the self-starter is ahead of hand-cranking. Duco finish lasts—and its lustre lasts. Think of a finish that you can clean of mud, dirt and grit with a dry cloth—a finish that won't check or flake. Learn what this remarkable finish and the many other Oakland achievements can mean to you. Let us explain also how easily you can buy an Oakland through the money-saving General Motors Time Payment Plan.

AT THE LIBERTY

Milton Sills holds the record for pugilistic conquests in the movies. Except for "The Sea Hawk," he has staged furious fistie encounters in practically every picture in which he has been filmed, and not infrequently has carried bruises and abrasions for days after, as a result.

In "As Man Desires," in which Sills is co-featured with Viola Dana, he engages in two battles. As a British army captain in the Indian service, he battles his superior officer. Forced to flight to escape a murder charge later, he appears as the captain of a pearl fishing schooner and battles Tom Kennedy, one-time heavyweight contender. The prize here is the love of Viola, who has the role of a dancing girl of the South Sea Islands.

"As Man Desires" will be shown at the Liberty theater tonight for the last time.

AT THE PINE TREE

An exceptionally good vaudeville bill will be shown at the Pine Tree theater tonight, consisting of five big acts. Laing Brothers, xylophone artists supreme and musicians of talent, are first-class and prime favorites on the circuit. Harry Ferris has some new and original stories and there are few better ventriloquists. His act is a decided novelty. Fuller, Clark & Co. in "Making a Movie Star" are a riot, and they appear to have the prize boob for a subject. Lew Rose, burlesque comedian, and Frances Brownie, eccentric dancer, will present their offering of hick comedy with many singing and dancing numbers and a good line of comedy patter. The last number, Les Humanettes, is a novelty that will please everybody. These three artists offer a most unusual act.

"The Mad Whirl," the feature picture, is a modern drama of the young generation.

All of the girls young Jack Herrington knew wore petters. The continual round of jazz parties that had gained for the great home of his parents the name of "The Herrington Road House" left nothing to be desired in the petting line.

The near-origes that were of all most nightly events in the house were regarded serenely. Then Jack Herrington became infatuated with the beautiful daughter of a former saloonkeeper, from the near-by village.

But the youth lied to her once. She slashed him across his handsome face with a whip, and left him.

How far that slash went to bring back to sanity the Herrington fam-

ily is the beginning of the end of a true story of modern life, which is told in convincing manner in "The Mad Whirl," with May McAvoy and Jack Mulhall, to be shown in the Pine Tree theater Wednesday and Thursday.

DRINK WATER TO HELP WASH OUT KIDNEY POISON

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.—Adv.
