Make the Folger Coffee Test

Drink Folger's Golden Gate Coffee tomorrow morning. The next morning drink the coffee you have been using. The third morning drink Folger's again. A morning or two and you'll decidedly favor one brand or the other; the best coffee wins. That's fair isn't it?

You need not accept the word of any coffee roaster about the quality of his coffee. You can be your own judge and jury simply by making the Folger Coffee Test.

The Folger Test is simple—but practical. It offers you the one sure way to judge coffee quality. It plays no favorites, but challenges a direct comparison of Folger's Golden Gate with any other brand.

Order a can of Folger's and start the test tomorrow morning.
