The cyclo-stormograph at Underwood's pharmacy registered a fairly even barometric pressure since the report of yesterday but this afternoon the tendency is slightly downward. However, unless this movement should become more sharply defined a pleasant day is looked for tomorrow. Forecast for next 24 hours—Generally fair; continued warm.

The Tycoos recording thermometer registered maximum and minimum temperatures today as follows:
High.....76 Low.....40

WARDEN GIVES WARNING
Anglers Must Carry Licenses With Them All The Time

If any angler, possessing a fishing license leaves it home when he goes fishing, he is violating the law just as much as if he did not take the trouble to buy the license. District Game Warden Marion Barnes announced today. "The law says have the license with you," Mr. Barnes remarked. "Hereafter, the alibi that the license was left at home will not carry any weight with me."

MERRILL HALL DEDICATED
Large Celebration Takes Place At Formal Opening of Civic Center

The result of harmony, cooperation and civic pride, was recognized last night when the town of Merrill joined hands with its neighbors in celebrating the formal dedication of the Merrill community hall.

The community hall, which was erected at a cost of \$6,000, is a clear example of what can be done with cooperation. In the opinion of Merrill citizens. When the town of Merrill once decided to put the project over, they wasted no time in arguing about sites or about finances. The people were asked to put up the money, and did; the stockholders in the community club were asked to choose a site, and they did. Approximately 500 were present at the celebration.
