Confidence!

THE largest-selling
tire made in any
Pacific Coast owned
factory is the C-T-C.

Today the largest-selling
tire, a year ago C-T-C
was "on its way up"!
Two years ago it was a
babe in the industry.
Three years ago, an idea.
Four years ago—an ideal!

Yet it has taken twenty-
five years' tire-building
experience to build C-T-C!

Behind C-T-C stands a staff
of engineers whose experience
in Akron factories runs back
more than a quarter century!
They know tires!

When you need new tires,
let us show you what the C-T-C
can do. Or, better still, call in
now and get acquainted with
this tire that has "made good"
quickly because of remarkable
mileage records.

"Quality will never be
sacrificed to meet a price"

Skinny Men

Gain 5 Pounds in 30 Days or Get
Your Money Back

Doctors and good pharmacists
know that Cod Liver Oil is full of
vitamines that make flesh, create
appetite, builds up the power to
resist disease and puts good, solid
flesh on skinny men and women.

But it's fewer people are taking
it, for doctors are prescribing and
people are fast learning that they
can get better results with McCoy's
Cod Liver Oil Compound Tablets,
which Star Drug Store, Underwoods
Pharmacy, Whitman's Drug Co., and
druggists all over the country are
having a tremendous demand for.
One woman gained 10 pounds in 22
days and if any skinny man or wo-
man can't put on 5 pounds in 30
days, your druggist will gladly re-
fund the purchase price.

Be sure and get McCoy's, the or-
iginal and genuine Cod Liver Oil
Compound Tablets—60 tablets—60
cents.—Adv.
