HEAVYWEIGHTS TO CLASH HERE ON NEXT CARD

Sammy Olson and Rocco Stramaglia to Tangle on May 19

The "Simple But Effective" Rocco Stramaglia, whose good right hand lulled Earl Ritchie to sleep in the third round of their fight here a month ago, will again be seen in action in Klamath Falls, this time against Sammy Olson who hails from California with a good reputation for bowling them all over.

Stramaglia made a big hit while he was in the ring with Ritchie, and the loud yell that was heard two city blocks away from the Scandinavian hall, testified to the satisfaction of the crowd when Ritchie, the home town boy, kissed the canvas.

This man Olson, is some man, according to reports drifting up from the squared circle in the south. Olson is a big man, weighing in the neighborhood of 190 pounds and packing a hefty hook in either hand. Stramaglia has not arrived in Klamath Falls, but Olson is working out

hard every night in preparation for the big test.

Abie Gordon, who is managing Joe Coffman of Baker, Oregon, declares that Jack Crim has finally found an opponent that will left hook him to sleep. Coffman came to Klamath Falls with the reputation of a slasher. "You get me or I'll get you" boxer. Gordon declares that Coffman will throw so many fists in front of Crim that he would be cross eyed.

Felix Torres, slippery middle-weight of Weed, who was defeated by Crim and earned a draw from the hard hitting Maurice Harris of Ashland, will see what he can do against Wilbur Harrington, slug-ging Indian.

Harrington has a tendency to please the fans, at every go. The last fight however, was a front, ending in Harrington being awarded the decision when Dummy Poole, claiming a foul, said he could not fight further.

Jim (Firpo) Gorman

The winner of the Stramaglia (Strambo) Olson fight at the Scandinavian hall May 19 will be challenged by Jim (Firpo) Gorman, who comes to Klamath Falls with a reputation from the east. Gorman is a fighter of New York and has had years of experience, according to reports.

"CHARM SCHOOL" WILL BE GIVEN FRIDAY EVENING

Seniors to be Presented in Annual Play in Pine Tree Theatre

"The Charm School" chosen by the Senior class as their annual play prior to graduation, and one of the most interesting phases of graduation week will be given in the Pine Tree theater, Friday evening, May 15.

Briefly the plot is centered around several young fellows who find themselves in straightened financial conditions, when a letter arrives, announcing the inheritance of one of the group to a young ladies boarding school. The remainder of the play is a round of wit and humor dealing with the installation of the four young men as instructors in the school and the result of their companionship with the students in the institution.

Cast includes the following: Austin Bevans, David McKenzie, George Boyd, Jim Simpkins, Tim Simpkins, Homer Johns, Elsie Benedict, Miss Hays, Miss Curtis, Sally Boyd, Muriel Doty, Ethel Spelvin, Alex Mercer, Lillian Stafford,

Madge Kent, Hugh Kerwin, Frank Upp, Charles Mack, Max Newsom, Harold Bateman, Vernon Christy, Geraldine Mars, Katherine Walton, Alice Kos, Allee Miller, Dehlla Hawkins, Mildred Cofer, Agnes Sly, Virginia Tickle, Gertrude Moak.

PUBLIC SCORES SECRET SESSION

EUGENE, Ore., May 13.—Though an official statement was issued yesterday from the University of Oregon, showing the full action taken by the board of regents at their session, considerable dissatisfaction was still being expressed here today over the manner in which the news of the meeting was suppressed.

A total saving of \$67,250 was made by the regents, the official statement said. The summary shows: Saving of \$10,000 for paving of city streets crossing the campus; \$10,000 from the extension division budget; \$1250 additional infirmary fees; \$5000 increase in gross incidental fees, due to increased number of students; \$19,000 saving in staff salaries; \$13,000 savings made by reducing the original estimates of the amount needed for salary increases; \$2500 saving in equipment for the new science hall; \$5000 saving in site of proposed student union building; \$2500 increase in 1926 summer session fee.

Unrest among several university professors, who stated that they were "uncertain as to when something might happen to us," was rumored. The main contention, however, has centered on the secrecy methods said to have been employed by the regents at the May 2 session.

Fred Fisk, member of the board of regents, said here today that the meeting was open, and not secret. Newspaper men, however, refuted the contention that the session was open, citing the news that was given out as the official business of the board and the news of the shakeup which later leaked out.

MARKETS

PORTLAND, May 13.— Cattle nominally steady, no receipts. Hogs nominally steady; no receipts. Sheep nominally steady; receipts 600.

Mr. and Mrs. Fred Hagelstein were picnic dinner guests of Miss Winnie Grizzle and Miss Hazel Shaver at Sunset Park, near Fort Klamath, Sunday.

PACIFIC HIGHWAY IN SACRAMENTO CANYON SOON TO BE OPENED

The following announcement regarding the opening and closing of the Pacific highway, where construction is under way in the Sacramento river canyon, is made by the California highway commission.

Beginning Saturday, May 16, and continuing for the remainder of the summer, the Pacific highway between Halfway creek and Dog creek in the Sacramento river canyon, northern Shasta county, will be open to traffic at 7 a. m. and close at 10 p. m., daily. From 10 p. m. to 7 a. m. the highway will be closed to all traffic. No detours are available.

The hours announced are a modification of the existing regulations and are necessary to permit blasting and grading operations where widening and straightening of the highway is under way. Certain construction activities will be under way during the hours when the highway is open to traffic but the commission will make every effort to see that traffic is accommodated with as little inconvenience as possible.

On the whole, motorists will find

traffic conditions between Redding and the Oregon line improved, over the 1924 season. Ten miles of new pavement are open to traffic and applications of calcium chloride are expected to keep the surfaced sections in good condition.

BEET FARMERS BUSY SOWING

Nine Seed Drills in Operation Throughout Klamath; Through Saturday

With nine drills of a capacity of ten acres per eight hour shift, distributed among sugar beet farmers, it is expected that all sowing of best seed will be completed by the end of this week, is the word received today by County Agent C. A. Henderson.

Approximately 300 acres have been sown to beets already. The drills were distributed among the farmers Saturday. They were furnished by the Sacramento Valley Sugar company.

Owing to the desirability of sowing the beets at the earliest possible time, several of the sugar beet growers are working overtime in sowing. On the Roy Nelson ranch, Worden district, a drill is operating in two shifts and the Nelson brothers hope to sow 20 acres a day.

Henry Oldemeyer, field representative for the sugar company is working day and night in interviewing and advising farmers, who for the first time are sowing their acreage to sugar beets. Mr. Oldemeyer, an expert in practical sugar beet

Will your New Home be easy to sell?

"Check" Seal wiring is a recognized advantage

Nowadays one of the first things prospective home-buyers look for is completeness and quality of the electric installation. No home is salable which lacks convenient connections for electrical appliances, correct lighting and the installation of standard wiring devices.

If for no other reason than to make your home easy to sell, you should insist on "Check" Seal electrical wiring before you build or buy. The "Check" Seal identifies qualified electrical contractors who make your house a real home of electrical comfort. And when you need electrical appliances, remember that the "Check" Seal identifies electrical retailers who sell quality electrical merchandise.

High 67 Low 47

U. S. Weather Report
Oregon: Cloudy tonight; Thursday fair; moderate temperatures; gentle variable winds.

A Talk With a Klamath Falls Man

Mr. Smith Tells Something of Interest to Klamath Falls Folks

There's nothing more convincing than the statement of someone you know and have confidence in. That's why this talk with Mr. Smith of 106 Main street should be mighty helpful here in Klamath Falls.

Henry Smith, carpenter, says: "I have used Doan's Pills off and on and have always found them to be a reliable kidney remedy. My back ached and I had a soreness just over my kidneys and they didn't act right. Doan's Pills relieved the trouble; the backaches left and my kidneys were regulated."

Mr. Smith is only one of many Klamath Falls people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mr. Smith had—the remedy backed by home testimony. 60 cents at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."
