**NOW YOU MAY TRY THIS VEGETABLE SYRUP FREE**

This is Your Chance to Prove That Toning up Your Liver Will End That Tired, Run-Down Feeling. Build Yourself Up! Win Back Sound Digestion, Strength and Energy—Feel Your Very Best Again!

In his private practice Dr. H. S. Thatcher demonstrated that such symptoms as Indigestion, Gas on a Sour Stomach, Belching, Dizziness, Colds that Hang On, Sick Headaches, Constipation, that Tired Feeling and a general Run-Down condition of the System are often the result of a Sluggish Liver—and that relief in such cases comes quickly when the Liver is properly Cleansed and Toned and the System is working normally again.

**Why This Gives Relief**  
When working as Nature intended your Liver does three things necessary to keep you feeling your best. First, it purifies your BLOOD every drop of which passes through the Liver every fifteen minutes. Second, your Liver furnishes the essences that are essential to perfect DIGESTION. Third, your Liver supplies the secretions Nature uses to lubricate your intestines so that your Bowels can move naturally, gently and regularly every day. When your liver becomes sluggish it cannot do these three things; consequently, you suffer from one or more of the symptoms above described.

Share It With Family

Bebe Daniels, the scintillating star of "Daring Youth," Principal Pictures' current release, sums up her idea for Hollywood fame in two words.  
"Be daring," advises the star of "Daring Youth."  
Many other qualifications, of course, are necessary, Miss Daniels avers. They fit in varying degrees according to aspirant's ability and ambitions. Without courage, however, it is useless to try to succeed in the field of film endeavor. At the Pine Tree Friday.

**DOKKIE BAND WILL MAKE TRIP TO R. I.**  
For the purpose of raising money to send the Medford Dokkie band to Providence, Rhode Island on the Atlantic coast, a delegation of Medford and Ashland Dokkies were in Klamath Falls the early part of the week. The party was made up of H. R. Gaylord, H. H. Williams, Charles Campbell and E. E. Gore of Medford and J. M. Newell of Ashland.

Advertising Oregon and especially the Crater Lake country will be one of the missions of the Dokkie band on their trip east to attend the national convention, June 20. At the meeting in San Francisco of the Pacific coast organization, the band took second place and it is with the intention of taking highest honors that they plan to take the trip. While in the east, and during the trip across the continent, they will distribute more than 80,000 pamphlets telling of the glory and grandeur that is Oregon's. Before leaving they will make a special journey to Klamath Falls to give the Klamath residents a concert in appreciation of the efforts extended.  
The band will be in full uniform during the entire trip.

**AT THE LIBERTY**  
Jackie Coogan is all boy. Of that there is no doubt.  
With him play comes before anything else.  
Of course, it was genuine fun for him to act in a circus picture, selling peanuts and popcorn and getting the thrill that any normal boy would experience in playing a clown, but just the same Jackie kept up his outside interests while his latest starring vehicle, "Circus Days," was being made.  
In other words, Jackie did a lot of marble playing—it was the season then—between scenes for this big feature picture, which will be shown at the Liberty theater tomorrow.

**No Increase in the Price of Firestone FULL-SIZE GUM-DIPPED BALLOONS**

The extra quality built in by the extra process of Gum-Dipping, the economy of these wonderful tires and the added mileage obtained from them during the past two years, has created such a large demand that over 75% of Firestone's mammoth production is now Balloon Gum-Dipped Cords.

This has greatly increased the total sales volume and the huge Firestone factories are now working on a 24-hour schedule to supply the demand.

This large volume, produced under the most economical tire manufacturing methods, permits Firestone to sell these extra-process Full-Size Balloons at no extra cost to car owners. And this in the face of greatly advanced cost for crude rubber brought about by the operation of the British Rubber Restriction Act.

Gum-Dipping means longer mileage—greater economy—at no extra cost to you!

Enjoy the safety, economy and comfort of Balloon Gum-Dipped Cords this summer. Let us equip your car now at low cost—with liberal allowance for your old tires.
