Many Here Poison Themselves Daily

Carelessness of Modern Living Results in Digestive Disorders, Sick Headache, Gas Bilioussness—Dr. H. S. Thatcher's Remarkable Prescription Relieves Many

A neglected liver can often cause more trouble than a bottle of poison. When the liver is clogged and inactive, it fails to secure the juices necessary to digestion and elimination. Worst of all, it fails to purify the blood properly. When this happens annoying symptoms tell you that a state of self-poisoning exists in your body.

Symptoms Lead to Sick Bed
It explains why a sluggish liver is attended by such symptoms as constipation, biliousness, sick-headaches, sourness and gas on a weak stomach, loss of appetite, pains in the back and sides, and a nervous run-down condition—symptoms that lead to the dangerous and expensive sick-bed unless corrected in time.
Dr. H. S. Thatcher, noted medical practitioner, perfected a wholesome

vegetable prescription to keep the liver healthy. It is giving quick relief and renewed strength, energy and vigor to numbers here. This prescription, known pharmaceutically as Dr. Thatcher's Liver and Blood Syrup, doesn't cost much, is pleasant to take and contains only ingredients that are known to physicians for their corrective and health-building properties.

Notice Quick Difference
Try this great prescription yourself. Notice the quick difference in the way you look, eat, sleep and feel. You will be completely satisfied; otherwise, there will be no cost.
Dr. Thatcher's Liver and Blood Syrup is sold and recommended by Star Drug Store and all leading druggists.

Two Malin Boys Lodged In Jail For Thirty Days

Thirty days in jail is the price paid by Jack White and Thomas Richards for stealing \$10 from another boy. The two young men from southern Klamath, pleaded guilty to petty larceny before Justice of the Peace John R. Kober of Malin, and were sentenced to serve 30 days in the county jail. They were incarcerated yesterday afternoon.

The two young men were cheerfully philosophical over their predicament and cracked a few fast jokes with the sheriff while being searched before being led away to the county detention institution.

AT THE LIBERTY

Donnegan, the red-headed hero of "The Vagabond Trail" at the Liberty tonight had a temper to match his hair, but there is nothing temperamental about Charles Jones who plays the role.

It has been said, around the Fox lot, that Jones is the best man to work with there is. He is always modest, always patient, always ready to do anything there is to be done and never jealous of his share in the glory.

AT THE PINE TREE

"Big Bigger, 8-o-o Big!" That is how Colleen Moore, with a flourish of her arms, describes her ambitions for the future of her baby son in "So Big," her new First National picture, at the Pine Tree theater.

Edna Ferber, who wrote the novel, has drawn a vivid word picture of the dream every mother builds about her son, and Miss Moore has given it an amazingly real visualization.

The story takes Colleen out of her erstwhile flapper characterizations, which won her fame in "Flaming Youth," "The Perfect Flapper" and others. It shows her as the wife of a poor truck farmer near Chicago a generation ago, wrestling on her hands and knees with the weeds in a cabbage patch.

J. J. Buchter was a business visitor in the city yesterday from his valley home in Medford.

KENO

Nelle Doten has been appointed register of births and deaths for Keno, Midland and Worden.
