

# SOCIETY

Memorial Day, May 30 falls on Saturday this year, and business men and business houses took a much needed vacation for the week end. Among the residents of Klamath Falls there are a number who enjoyed summer homes and cottages at Lake of the Woods, where one of the prettiest lakes in Klamath county is located. Several are planning to remain at Lake of the Woods for the remainder of the summer vacation season with their children, using this week-end for the purpose of opening their cottages.

An outstanding feature of the week was the Memorial Day services when the entire city turned out en masse to pay homage to the honored dead. The program was most impressive and the Memorial Popples sold on the streets by the girls of the Jinkers Club of the First National Bank and the girls of the Tri S club of the Episcopal church added color to the celebration of the day.

Another interesting event of the week was the fifth annual community dinner at the White Pelican hotel on Friday evening, under the auspices of the chamber of commerce. More than 250 reservations were made to hear Ex-Governor Thomas Campbell of Arizona, who was the speaker of the evening. Orange and black were used effectively in the decorations of the dining room and the table favors as well as in the menu itself.
