

Un-superstitious pedestrians often do this

—Proving that a post can divide two people without splitting their friendship. In the same way experienced motorists have proved to their complete satisfaction that Zerolene, a western oil, will lubricate the modern automobile engine as well or a little better than any oil they can buy, although it costs less than eastern lubricants.

The anti-western oil superstition succumbs to experience

Zerolene is successfully lubricating more cars in the Pacific Coast states than any other oil made—low and high priced cars alike. The most advanced refining process is this Company's patented high-vacuum process, during the use of which Zerolene is submitted to 15 positive checks for quality. Zerolene's special filtration through 40 tons of Florida Fuller's Earth gives you an oil of absolute purity—a better oil even if it does cost less!

Less carbon—better fuel mileage

Zerolene will increase the power and gasoline mileage of your car, reduce carbon accumulation in the cylinders and lengthen the working life of the engine.

Why pay tribute to a superstition? *Insist on Zerolene—ask for it by name.*

Get the Facts!

A series of independent and impartial reports showing the experience of large users with Zerolene has been collected in our booklet, "Why Pay Tribute to a Superstition?" Ask any Standard Oil Company representative or Zerolene dealer for a copy.

Judge Butler to Be Orator for Flag Day

Klamath Falls Elks Complete Plans for Annual Rites

Members of Klamath Falls lodge of Elks are completing plans for the annual Flag Day ceremony to be held at the Elks' temple on the evening of June 14. Judge R. R. Butler of The Dalles, one of the foremost orators of the state, has accepted an invitation to deliver the principal address.

Following is the letter which has been sent to all Elks by Charlton S. Curran, exalted ruler of the order:

Sunday, June 14th is Flag Day. This day as you know is one of the few days which Elks are especially requested to observe. This year's Flag Day is especially significant in that it marks the one hundred and fiftieth anniversary of the beginning of the American Revolution.

Klamath Falls Lodge of Elks will observe this day with an appropriate program consisting of patriotic music, the usual ritualistic tributes by the officers of the lodge, and a principal address by Brother R. R. Butler of The Dalles, Oregon Lodge number 303. Services will be held at 8:00 P. M. in the Elks temple.

This public demonstration on Flag Day cannot help but arouse in the hearts and minds of the people of this community a greater and more intense reverence for our Flag, and an increased respect for our order.

I earnestly request the co-operation of the membership of Klamath Falls Lodge of Elks in making this Flag Day an interesting, instructive, and successful one. I earnestly urge you to set aside Sunday evening, June 14th to attend the exercises. Invite your friends and neighbors to attend. I assure you that the services will be both interesting and instructive to them.

Brother Butler is one of the foremost orators of the state and we are assured of a stirring address from him.

With every assurance of my deep appreciation of your co-operation in past undertakings in carrying on the work of the order and trusting that you will find it convenient to attend the Flag Day exercises, I have the honor to remain, as ever, your obedient servant.

A CORRECTION
In the last paragraph of the statement issued by Marion Nine and published in yesterday's Herald was the following statement:

"The Klamath lumber industry now distributes about \$4,500,000 annually in wages."

Mr. Nine wishes to correct this figure to read \$45,000,000, the error being due to a stenographic oversight on his part. He reached this figure on a basis of 300,000,000 feet of lumber being the annual cut and the cost of handling it as an average of \$15 per thousand. This figure, he states, covers everything from the stump to the delivery of the finished product, including the wages of the railroad men who handle the transportation, not only for the lumber companies, but also for the Southern Pacific in this territory.

SACRED HEART EXHIBIT

The school exhibit of the Sacred Heart academy opened today and will be continued throughout tomorrow. The exhibit includes specimens of all the various kinds of work done in the school during the year. Maps, physiology charts, compositions, drawings, needle work and laboratory manuals will be on display. All patrons and friends of the school are invited to attend.

S. P. Wants To Take Over Another Line

WASHINGTON, June 2. (A. P.)—The Southern Pacific railroad asked permission from the I. C. C. today to take over under lease the narrow gauge railroad now operated by the Lake Tahoe railway and Transportation company in California.

The Southern Pacific, the application said, will reconstruct the line on a standard gauge and operate it as a part of its system.

MODOC POINT

The semi-monthly meeting of the Parent Teachers association at Lamm's Mill was held on Friday afternoon. Mrs. M. E. Krauss and Mrs. A. J. Chidester were hostesses and served refreshments. It was voted at the meeting to hold a social evening on Saturday, June 6, at the Company boarding house. Cards, musical numbers and refreshments will be the program for the evening.

Mr. and Mrs. Jack Linn left by motor for California on Wednesday. On the day of their departure much excitement was caused by the escape of a Gila monster which they had brought from Arizona. A reward of five dollars was offered for its capture and a small army of boys searched the hillside and it was soon found.

Grant Fouch delivered a raft of fir logs to the Lamm Lumber company from the west side of the lake.

Due to a breakdown the night shift could not operate Tuesday night. A. J. Chidester, mill foreman remained in Klamath Falls until 2:30 a. m. while new parts were being machined. The mill resumed operations on Wednesday morning.

Mrs. S. W. Egeline, Mrs. Chas. Driscoll, Mrs. Richmond and Mrs. E. L. Dixon were shoppers in town on Wednesday.

Mrs. E. L. Dixon has just received word that her sister-in-law, Miss Carrie Dixon is on her way here to visit for a few weeks from her home in Chicago.

The Lamm Lumber company ball team played Algoma on Sunday on the latter's field. Due to lack of practice Lamm's team was badly beaten.

D. H. Crump, Bill Spangler, R. Damon and Emil Johnson spent Tuesday evening in Klamath Falls.

Mr. and Mrs. W. A. Wittlinger were luncheon guests of Mr. and Mrs. S. W. Egeline. Mr. Wittlinger is just recuperated from a fractured skull received about a month ago. They are leaving for Pennsylvania on Sunday.

The foundation for W. E. Lamm's new residence has just been completed. The work was in charge of Jess Rimer of the W. D. Miller company. The crew have returned to Klamath Falls.

R. E. Dwyer and his family have arrived from Susanville, California. Mr. Dwyer has accepted a position with the Lamm Lumber company as grader.

W. E. Lamm spent Thursday visiting his logging camp at Kirk.

William Stull and family are now enroute by car coming from Seattle. They will make their home at Modoc Point.

Mrs. Bruce Parks spent Wednesday in town.

W. C. Ames has been awarded the contract to construct a large lumber shed at Modoc Point. Work is already commenced and rapidly going forward. Concrete foundation piers are now being poured.

On June 1, a night shift will be added to the planing mill to take care of increased shipments, possible through the night shift in the saw mill.
