WHY SUFFER SO?

Got Back Your Health as Other Klamath Falls Folks Have Done

Too many people suffer lame, aching backs, distressing kidney disorders and rheumatic aches and pains. Often this is due to faulty kidney action and there's danger of hardened arteries, dropsy, gravel or Bright's disease. Don't let weak kidneys wear you out. Use Doan's Pills before it is too late! Doan's are a stimulant diuretic to the kidneys. Doan's have helped thousands. They should help you. Here is one of many Klamath Falls cases:

Edd Smith, plasterer, 1229 Lakeview Ave., says: "I had attacks of kidney complaint which made it almost impossible for me to do any lifting or stooping. My back ached dreadfully and I had severe pains across my shoulders. My kidneys acted irregularly, too. Doan's Pills helped me wonderfully by relieving the aches and pains and putting my kidneys in good shape." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the name that Mr. Smith had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

Electric Iron Cause of Blaze

An electric iron left burning in the alteration room of Hector's store at 525 Main brought the fire department out last night about eleven o'clock. While the merchandise throughout the shop was damaged by smoke, which filled the store and show windows, no damage was done by water, the fire department getting the fire under control with the use of chemicals.

According to O. M. Hector, proprietor of the shop, the iron must have been burning from as early as 4:30 in the afternoon. The fire had burned through the ironing board, and alteration table.

L. Hines, night watchman, was the first to discover the fire and turned in the alarm to the fire department which did splendid work in getting the blaze under control. The damage is completely covered by insurance and adjustments will be made as soon as Charles Stewart, adjustor from San Francisco, reaches here, which will probably be tomorrow.
