Olson-Strombo Match To Head New Fight Card

Sammy Olson and Rocky Strombo are to be matched as main-eventers in a fight card to be held at Scandinavian hall in two weeks, was announced here last night. They will step ten rounds.

Vieing with the headline bout will be a six-round return fight between Johnny Carlson and Joe Coffman. Coffman gave Carlson an unmerciful lacing on the last card and the return match should be a dinger.

Maurice Harris of Ashland is to fight the semi-windup with Heinie Meyers, conqueror of Wilbur Harrington on the last card. Harris is a different type fighter and Meyers will have even more opportunity to demonstrate his stuff than in the last fight, when he rallied from three knockdowns to win. Gunboat Smith of Chico and Jack Brush of Sacramento will fight the curtain raiser.

NEW YORK, June 5. (A. P.)—Two of the leaders in the heavyweight ranks who have been tugging at the mantle of Jack Dempsey, will square off tonight at the Polo Grounds in a 15 round bout to a decision.

They are Gene Tunney of New York and Tom Gibbons of St. Paul, clever boxers with punching power that has been sufficient to dispose of many a likely aspirant.

It will be a meeting of two veterans of the world war, two exponents of the same fighting style and two clean cut warriors whose records place them on a footing so even that opinion is equally divided as to the outcome.

A 27 year old bachelor will fight a 36 year old family man.

Two weeks from tonight a second pair of heavyweight contenders will be seen by a metropolitan audience. They are Harry Willis, negro challenger, accepted as an outstanding opponent for Jack Dempsey by the boxing board, and Charlie Welner, of New Ark, N. J., conqueror of Luis Firpo. Promoters meanwhile are working on addition elimination bouts, though Jack Dempsey has cabled from Paris his willingness to meet the winner of tonight's fight.

DEATH IS PROBED

NEW YORK, June 5. (A. P.)—An inquiry is being made in behalf of Thomas A. Edison of a report that Mrs. Elizabeth Heyzer, mother of Mrs. Thomas A. Edison, Jr., died in obscurity and narrowly missed burial in the Potter's field.

William Meadowcroft, the inventor's secretary, in saying yesterday that an inquiry would be made, added that the inventor was not aware of Mrs. Heyzer's death and did not know where she lived.

Mrs. Heyzer died Tuesday in a modest boarding house owned and partly occupied by Charles A. Benedict, an undertaker.

Wellman left a legacy to pipe smokers

Back about 1870, James N. Wellman developed a secret tobacco process which won widespread favor. But nobody else ever knew "Wellman's Method" until we acquired it and went

back to it in making Granger Rough Cut. It's an "old-fashioned" method, yes, but slow as it is, and costly, too—we have found no other process that brings tobacco to the same full, rich "rounded-out" mellowness.

POSTERITY OF DAUBIGNE TO PRESERVE HIS GRAVE

JERUSALEM.—Steps are being taken by Sir Ronald Storrs, governor of Jerusalem, to preserve the only known grave of a crusader. It is the last resting place of Philip Daubigne, governor of the Channel Islands, one of the counsellors of King John at the signing of Magna Charta and tutor to the young King Henry III. It is situated at the entrance of the Holy Sepulchre. Daubigne came to Jerusalem in the train of Emperor Frederick II, in 1229, and died here in 1236.

The grave was formerly covered by a stone platform used as a seat by the Turkish guardians, to which fact is due its preservation. It bears the coat of arms of the crusader and an inscription which is still legible.
