To relieve traffic congestion, Klamath Falls auto dealers have opened a parking lot at the corner of Eighth and Main to be known as "The Business Men's Parking Lot."

Used cars formerly stored on the corner lot will all be moved to an adjoining lot.

The move is an effort to aid many Main street merchants who have been unable to secure places downtown to park their cars since inauguration of the 40-minute parking ordinance.

Storage on the lot may be taken by the hour, day or month. A special reduced rate for monthly storage will be made. The lot is in charge of A. Panzer.
