Service and Meats

Good meats and good service are the two most important things that the shopping housewife has to look for.

Good meats thrown at you any old way don't make you feel like coming back again.

Poor meat handed to you with a smile, or carried out and placed in the back of your car don't make you feel much better.

Trade with the market that gives you both Good Meat and Good Service

"Why! He's Nothing But Skin and Bones" "Marry Him? Never"
"Quit kidding me, Agnes; when I get ready to land a man he's got to be a real man with plenty of good healthy flesh on his bones."
"Of course, I dance with Ed; He's a good enough fellow and I just feel sorry for him, but no skinny, hollow cheeked, spindle shanked fella is going to sail the voyage of life with me."
"Cheer up, Ed—things aren't as bad as they look to you right now. Many hundreds of skinny, gaunt, emaciated men looked even worse than you do till someone told them about McCoy's Cod Liver Oil Compound Tablets (the new way to take Cod Liver Oil) and how it would put pounds of good firm, healthy flesh on their bones in just a few weeks.
Nothing like these health creating, weight producing tablets for skinny, underweight men, as thousands can testify. Start to take them today—60 tablets—60 cents at the Star Drug Store, Underwoods Pharmacy, Whitman Drug Co., or any real druggist anywhere in North or South America.
And listen: If they don't put 5 pounds of good flesh on you in 30 days, get your money back—that's fair enough, but be sure—very sure that you get McCoy's Cod Liver Oil Compound Tablets—the original and genuine.—Adv.
