## Announcement

We have good news for every buyer of children's shoes in Klamath County. We have just bought a complete line of the famous Buster Brown Shoes for the kiddies. The words Buster Brown has a definite appeal to mothers all over the country because they know by years of experience that there is no other shoe manufacture in the United States that builds a shoe that will stand the wear, and retain its shape and sell for so little money as these. All we ask is that you compare the price with any other child's shoe you can find—try a pair of Buster Brown's and if you are not entirely satisfied with the entire transaction just bring in the shoes and we will be glad to return the small purchase price that you have paid. In this ad we are quoting you some prices on Buster Browns for women and children and we want you to investigate and see if you can find anything that will compare with them. They are not special prices—we are not going out of business or even going broke—they are the regular every day retail prices on this superior class of merchandise. Come in and let us prove each of these statements to you.
