

## A FLOOD LET LOOSE

True Motoring Comfort and Distinction  
Are Now Being Found by Thousands  
in the Improved Packard Six.

FOR twenty-five years there was building up a vast reservoir of human desire for Packard ownership. There were tens of thousands who hoped that some day they could afford to own Packards. Then came January 1st, 1925, when the gates were opened. The result—a flood let loose, as yet unstemmed, that is in turn to bring an ever-increasing flow of Packard Six buyers. The thousands who have already

taken delivery of Packard Six enclosed cars, at prices lowered by nearly a thousand dollars, know that their faith in Packard was well placed. They are telling their friends that their new cars are true Packards, with improvements found in no other cars. And quite naturally the friends are seeking the Packard salesrooms. Have you seen the new Packard Six? We will be pleased to send one to your door at any time.

## Progress

Two recent developments have focused public attention on Graham Brothers Trucks as never before.

One was the sweeping price reductions of May 15th, ranging from \$80 to \$160.

The other was Graham Brothers ascendancy to leadership by building more 1½ ton trucks than any other manufacturer in the world, during the first quarter of 1925, and by achieving second position in the 1 ton and 1½ ton fields combined.

Progress such as this *deserves* public attention—and eliminates all doubt as to the logical truck to buy!

1-Ton Chassis \$1310; 1½-Ton Chassis \$1495

## Buzukos Is Favorite of Local Fans

That the years of experience obtained by Pete Buzukos during his career as welterweight wrestling champion of the world will prove too much for Henry Burke, local man who is Pacific coast middleweight champion, is the opinion of many local wrestling fans.

Buzukos' skill is offset by the tremendous strength of Burke, who in recent months has proven his ability to mingle with the best without danger to his title.

The match, to be held Wednesday evening in the Moose hall, will be for the benefit of the local ball team. Members of the team and their friends are selling tickets for the affair and a record crowd is confidently expected for what will undoubtedly be the best mat match of the season.

Preparations have been made for a four-round preliminary boxing event, with several good boxers available to pick from.
